Isaac Williams, Commissioner.

London, May 19.—A Bucharest despaten says the establishment of the Russian headquarters at Catronceni indicates a purpose of expanding the Russian operations over an extending front. This leads to the natural conclusion that the passage of the banke of the soason for sonding relief to India, are not to be subject to army alterations which cannot be completed in a few days, so they may be ready to proceed to sea if required. One thousand barrels of powder will be embarked for Malta to-day.

Phitsburg, Pa., May 23.—Davis, Chamber & Co.'s extensive white lead works have been burned; loss \$100,000; fully insured.

Philadelphia, May 23.—The steamer Chio, which arrived to-day, reports the steamer City of Brussels under sail—all well.

New York, May 23.—A brick building at Cedar Rapids, Iowa, fell on Monday, and severely injured.

New York, May 23.—A brick building at Cedar Rapids, Iowa, fell on Monday, and severely injured. From Bradley's to Good Settlement, \$18 00 another to Tultcha and the other two remain 29 00 watching the Russians at Ismail. The Russians cover. have been trying experiments with Krupp shells, fired into the river. They succeeded in exploding them under the water, the fragments flying a great distance. The Roumanians are so much in need of

which has attracted so much attention contains its efficacy was such that last season I took 9 00 the following: "The turn affairs are taking in France is calculated to inspire Germany and her engaged there can attest to the benefit both close friend Italy with the most serious reflections. A victory of Ultramontanes in France, occurring simultaneously with an Ultramonte victory in the Italian Senate, is fraught with the gravest consequences. Germany cannot remain indifferent. It is incumbent on her to display the greatest watchfulness. A victory of the Roman Curia opens the prospect of a war of revenge, and it is only through an alliance with France that the Curia can find a possibility of waging war against Germany and Italy."

outworks at Ardahan, its fortifications, citadel, none of which in itself is of suffi and 180 soldiers wounded.

Twain—"Dorgs."

The Council of Ministers at Constantinople on ture of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and Take no other. Sold by all Street, Buffalo, N. Y.—3m-p-5

The Council of Ministers at Constantinople on Sunday determined to send all reinforcements still arriving in Constantinople to Batoum and Erzeroum, apparently overlooking the fact that Catarrh, builds up the system and cures all son. Indeed the advance of Russians against other Diseases at the same time, Asthma, Batoum seems undertaken with the aim of lock-Rose Cold, Hay Fever, Bronchitis, Leucor-ing up these 34 batallions of Turks, preventing rhoea, Diseases of the Kidneys, Nervous them or any other re-inforcement from getting Debility, all leave together when the Con- through the Tcherkson line to Erzeroum or other

LONDON, May 23.—A Vienna despatch to the Times says Achaschon, to which the remnant of the Ardahan garrison retreated is on the road toward Oite and Erzeroum. Retreat on Kars was already cut off by the Russians, who block the road at Panzu. The Timee Bucharest correspondent says detailed statements of the move-ments of Russian troops are forbidden, that even without this restriction, the movements are so silently conducted that it would be difficult to report them.

ERZEROUM, May 23.—The Russians left wing has advanced from Ipex to within two hours' march of Karakiliza, while an Ottoman detachment holds a position at Toprak Kaleh. Two reround the Penet village, within seven hours march of Mukhtar Pasha's camp, for provisions

Pasha's position of Olti and Bardez, but Mukhtar expects to be able to hold his ground.

London, May 23.—The Times Paris despatch says France will doubtless pronounce overwhelmingly against President MacMahon at the elections even if the Senate gives a majority in favor of dissolution, which is very doubtful. The refusal of the Senate to authorize a dissolution would inevitably cause MacMahon's resignation.

Lendon, May 22.—Orders have been received from Portsmouth that five great Indian troop ships lying idle in the harbor in consequence of the close

RIVER PRILIP, N. S., April 10, 1873. Messrs. T. GRAHAM & SON.

Yours truly, OTIS. H. DAVIDSON,

Deputy Land Surveyor. NERVOUSNESS AND DEBILITY. ST. PETERSBURG, May 20.—The following is the official account of the battle Ardahan: The characterized by a great variety of symptoms THERE IS A STATE OF THE SYSTEM outworks at Ardahan, its fortifications, citadel, 60 guns, immense stores, provisions, and ammunition camp, formerly occupied by fourteen battalions of Turks, lie at the feet of the Czar. On May 17th, under the admirable fire of our artillery, between 3 and 4 o'clock, the Erwan, Tiflis and Baker regiments and sappers advanced to the assault. The enemy could not withstand the onslaught and fled, leaving a great number dead. At nine o'clock our troops traversed the whole town and fortifications. The trosps are full of enthusiasm. Our loss is believed to be one officer and 50 soldiers killed, and 4 officers and 180 soldiers wounded.

outworks at Ardahan, its fortifications, citadel, none of which in itself is of sufficient prominence to give a name to the disease, but the aggregate of which affects nearly all parts of the body, this affection is commonly called GENERAL DEBILITY; as its name implies, it is followed by prostration of strength, and a whole troop of nervous disorders, disturbed sleep, mental anxiety, gloom and despondency, listlessness, incapacity of exertion. failure of memory, and a constant dread of impending calamity, all terminating in a general failure of the mental and physical powers.
