FOR THE CARLETON SENTINEL. MR. EDITOR,-The Mail arrangement in this section gives great disatisfaction. Shiktehawk is three miles from Florenceville ; Foreston fifteen miles from Shiktehawk. There are seven Post Offices on this route, this number being necessary to serve the different crossroads through Gordonville, Glassville. &c. All mail matter for the above office that arrives at Florenceville on Wednerday even ing is brought over the St. John river by the Post on Thursday, kept at his house and de livered on Friday; also all mails arrivin, at Florenceville up to Friday evening i brought over by the same party on Saturday, and detained at his house until Monday.—
No doubt theauthorities intended these mailple of this part of Carleton County have en- of making preparation for it. dured such an imposition for so long a time.

Yours, &c., 0. K. Shiktehawk, Jan. 30th, 1877.

FOR THE CARLETON SENTINEL.

Moved as an amendment that the account be wick will secure us some votes in explaced in the hands of a committee of three change for the support of our memfor their report forthwith. The amendment bers for a renewal of the subsidy to was objected to by the Sec. to Trustees, 1st. that Province—but that will be no because it was out of order, 2nd it was not valid justification. according to the School Law. Mr. I. Kilburn then arose and said that

the amendment was in order and according The Committee (appointed by the chair) minutes, arose and reported as follows :-1st. The contract with Teacher McPherson

was for \$100 for about 41 months. The wood \$6 50. Quality of wood is not given as
