SENTINEL OFFICE, in Allan's Brick Building, up stairs

SATURDAY, JANUARY 13, 1877.

Ir is about time that the question at issue between Capt. Brown, speaking bear before we are exhausted, before the Mr. Marshall will again try for the shire settlers, and the Government was settled. The ex-parte statements being promulgated on both sides of the Atlantic are calculated to do discredit to the Province, its Government and people. The silence of the Government and people are the condition to the the transfer of the condition that they were during the great wars in past if there is opposition a hot time may be expected. We should suppose Mr. Marshall's admission of wrong doing will not improve his chances.

Geo. W. White, Esq., entertained his that the province has the condition to the condition that they were during the great wars in past if there is opposition a hot time may be expected. We should suppose Mr. Marshall's admission of wrong doing will not improve his chances. speak with authority are not at all Capt Brown's charges are correct

We are quite well aware that the South Africa. (Cheers) Our language, Colonists were brought out too early. which has become the language of freedom landing here at a most unfavorable in all the world, is gradually making its season of the year, even if their dwel- way amongst all the educated classes in In- tawa, has been excited. One of its lings had been ready and facilities for lia, and the time will come-and I trust it members, a Calvanist Baptist Clergyreaching them at hand. But this o! is not very remote-when there may be some man, advanced the view, in a sermo itself was only a temporary and not serious difficulty. The Farmer says: The amount expended by Government in Kincardine was about \$100,000 Amount expended by Colonists. Labor of Colonists at least

Total cost of Colony. roads, bridges, farms, crops and stock does against the Colony of \$225,000, or upward rain such a tyrany as that which rules in The above amounts charged against the Colony are quite within the truth, and we colony are quite within the truth, and we row it would not realize the value we have put upon it. The Provincial expenditure alone was enough to purchase cleared farmon the St. John river for the whole Colony. Enough and more than enough money their own has been expended by the Colonists to do the same thing. They have labored with unceasing industry to make themselves

comfortable, but because of the wretched lo-

cality in which they were placed their labor

of the English people.
