leased on bail. Sixteen hundred Indians, with Spotted Tail and thirty other chiefs, with arms and horses, have surrendered to General Crook. This is the probable end of hostilities. Gold has declined to 106 1-8.

LONDON April 18.—It is reported that on the outbreak of war Russian subjects will be expelled from Turkey. Col. Valentine Baker's commission in the Turkish army has been cancelled. Medif Pasha declares that European officers are not wanted. The Tichborne sympathizers presented their petition quietly yesterday.

PARIS, April 18.—President MacMahon has expressed to the Bishop of Nevers his disapproval of the latter's letter asking intervention for the Pope. He objects to the clergy meddling with politics.

ST. PETERBURG, April 18.—Prince Gortschakoff has issued a circular to the powers stating that Russia makes war only to obtain security for the Christians in Turkey, and charges the Porte with forcing the conflict.

CONSTANTINOPLE, April 18.—The Russian Charge d' Affairs has been instructed by his government to leave here to-morrow.

NEW YORK, April 18.—The *Tribune* says Hall's 10 per cent. of the Ring steal was $570,000.—When Sweeney fled to Europe the purser of the ship in which he sailed was five hours actively employed in counting Sweeney's money preparatory to giving him a receipt. The vouchers stolen from the Comptroller's room, in the Court House, on the night that Connolly betrayed the Ring, and which were reported burned, were shipped to Europe by Oakey Hall. Books showing their receipt still exist. The *Times* says prominent lawyers declare Tweed cannot be released by the Attorney General he acting for the people of the State, who are trustees for the city. Gold 106 3-4.

MR. P. N. YOUNG, writing from Zanesville, Ohio, says: "I have kept Graham's Pain Eradicator on hand for the past seven years, and we could not think of keeping house without it. It has done great work here, and it is the unanimous opinion of those who have used it that it is the best family medicine in use.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in pimples or sores, or in some active disease, or it may merely keep you listless, depressed, and good for nothing. But you cannot have good health while your blood is impure—WILSON'S TONIC and SARSAPARILLIAN ELIXIR purges out these infirmities and stimulates the organs of life into vigorous action restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood. Try WILSON'S TONIC and SARSAPARILLIAN ELIXIR, and see for yourself the surprising activity with which it cleanses the blood and cures disease resulting from impure blood. It regulates all the secretions, leaving the system in an invigorated natural condition, We can assure the invalid we offer him the best Sarsaparillian extract known, and we believe the best blood purifier yet discovered.

IN MEMORIAM.

WILLIAM J. SAUNDERS died February 19, at South Richmond, aged 22 years

Mourn not for him who's called away;
Nor let our hearts be sad to day,
But check the falling tear.
Altho' that face we'll see no more,
Until we reach the radiant shore,
Of that celestial sphere.

We know this earth is not our home,
Altho' our steps for years may roam
Amid its joy and care;
And when we hear the Master's voice,
Our hearts should thankfully rejoice
And deem it not despair.

There is a home beyond the skies,
Tho' never seen by mortal eyes,
With gates of pearly white,
And there our dear ones gone before,
Are waiting for us on the shore,
Till we have won the fight.

Think him not in the silent grave,
But where the tree of life doth wave,
On heaven's starry plain;
With martyrs and confessors there,
Who wear the crown, and palm doth bear,
For ever more to reign.

A few short years e'er all be laid
Within the tomb, the last debt paid,
Those active forms cold clay.
Oh! may we gain that happy shore,
Where grief shall press our souls no more
Through that eternal day.

New Brunswick Colony for Kansas.

Since my tour in Kansas, prospecting for a new location for the New Kincardineshire Colony, so numerous have been the applications from persons in this Province to join the Kansas movement, as to have suggested to me the organization of a separate Colony to meet the special requirements of the numerous respectable agricultural families who are desirous of improving their health and condition by immigrating to the great fruit growing and wheat growing lands of that healthful, beautiful and fertile State.

The idea of myself and those on the List, is that about 100 families would be a sufficient number to secure all the advantages of cheap transit, favorable location, good terms, and such other arrangements in regard to Church and Schools and internal affairs of the community as would insure that harmonious, active development and prosperity which would make the district a rallying point to which parties of friends could from time to time supplement the Pioneers, and so in a few years build up an extensive and flourishing District, having for its centre a Station on the great highway of the Kansas Pacific Railway.

In order to secure the respectability of the party, the New Brunswick Kansas Colony will be formed on the same principle as the New Kincardineshire Colony, excepting that the Colonists will effect their own location on their lots and superintend by delegates or individually their own arrangements, the assistance and guidance gratuitously given by the Railway Co. Agents being supplementary. The second quota of the New Brunswick Colony is intended to leave about the end of May; the transit will be conducted by the undersigned.

On arriving in Kansas, and while the heads of families select and fix on their homesteads and erect suitable shelter, the families will have free house room at the Immigration Depot of the Railway Co. at Salina.

The price of passage from McAdam Junction to place of location in Kansas will be from $25 to $30, according to the number of the party. The duration of the journey will be about 4½ days.

Parties desiring to avail themselves of this opportunity, should lose no time in enrolling their names on the Colony List. Further particulars with maps and reliable descriptions of the country will be posted to any applicant on receipt of address and a three cent postal stamp.

N. B.—None need apply who cannot give good evidence of industry and sobriety. A general meeting of the Colonists will be held at least 15 days before departure.
