Parks' Cotton Yarns!
Awarded the Only Medal Given at the
Centennial Exhibition
For Cotton Yarns - Canadian Manufacture
Nos. 5 to 10's
WHITE, BLUE, RED, ORANGE, AND GREEN.
Made of Good American Cotton with great care
Correctly numbered and Warranted Full
Length and Weight.

WE would ask the purchasers of Cotton Yarn
to remember that our Yarn is spun on
Thistle Frames, which make a stronger yarn
than the King Frames, used in making American
yarn.
It is also better twisted and more carefully
reel'd; each hank being tied up in 7 feet of 120
yards each. This makes it much more easy to
wind than when it is put up without less - as the
American is - and also saves a great deal of waste.
Those acquainted with weaving will understand
the great advantage it is to them to use yarn
put up in this manner.

COTTON CARPET WARP.
Made of No. 10 Yarn, 4-Ply Twisted
White, Red, Brown, Slate, &c.
All fast colors.
Each 5 lb. bundle contains 10,000 yards in length
and will make a length of Carpet in proportion
to the number of ends in width.
We have put more twist into this warp than it
formerly had, and it will now make a more dura-
ble carpet than can be made with any other
material. Since its introduction by us, a few
years ago, it has come into very general use
throughout the country.
All our goods have our name and address upon
them. None other are genuine.
