Direct from the Factories in Michigan New York, and St. Louis.

The public attention is directed to our Fall Stock, which has just been placed in our Spacious Warerooms, 93 and 97 Charlotte Street, CONTAINING, AS IT DOES, GOODS of the very Choicest Materials; manufactured in every detail with such a regard for symmetry of form, beauty of finish, and for classic and original designs that it defies criticism and warrants us in asserting that no similar display of Furniture is to be found in any other establishment in any city but New York on this Continent.

These goods were all personally selected by Mr. Stewart, on his recent visit to the Factories of the Eastern and Western States, and as a result we can offer the finest class of goods at prices which all can understand must be far below those of dealers who buy from agents and Eastern houses. From a knowledge of its virtue; we claim for it a large share of the confidence of the public. We do it from knowing that what it promises to do, it does effectually. It knows no failure,—is the most speedy, safe and certain in its cures. The smallest particle of it is worth more than a dozen bottles of oils, which contain no Magnetism,—for, without Magnetism Death, for Magnetism is Life. It is composed of powerful vegetable oils, all combining MAGNETIC FORCE. It contains more than all the virtues of the best preparations which have ever been invented, because it possesses the invaluable addition of the Magnetic Power, which is wonderfully developed by its use.
