T. J. B. HARDING, Esq., BROCKVILLE, ONT.

DEAR SIR,—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your Agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle BROCKVILLE, ONT.

I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head. A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what

use of it you may see proper. Yours truly, W. TINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878. Ask for Littlefield's Constitutional Catarrh Remedy, and take no other.
