permanent cure (without medicine) of Nervous
Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from ex-Price in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author in this admirable Essay clearly demonstrates from thirty years' success ful practice, that alarming consequences may be radically cured, without the dangerous use of radically cured, without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
