To the Electors of the COUNTY OF CARLETON

In response to requisitions numerously signed by Gentlemen from every part of the County, l shall again be a candidate for a seat in the Dominion Parliament at the approaching election. I intend to visit every section of the County be fore polling day, and hope to have opportunities of giving my views on all matters of public interest at greater length than I could possibly do in an ordinary election card. I may say however that the present Govern-Colds, Frost Bites, Chilblains, Diarrhoea Dysen- ment have in my opinion, administered the affairs of the country with honesty and ability, and as ong as they continue to pursue the same cours hey will receive my support. I also approve of their trade policy, believing that any increase in our present revenue tariff of 171 per cent. would be detrimental to the best in-
