Telegraphic News.

St. Gertrudes' Dramatic Club gave a dramatical performance in the Institute, on New Years' cal performance in the Institute, on New Years' eve. The audience was small, but, our reporter says, the acting was highly creditable.

Toronto has a Church of Latter Day Saints.

Owing to its being Communion Sunday, there will be no Gospel Temperance meeting on Sunday night.

States papers and generally believed, that presented our the Khedive of Egypt had presented our neighbors with one of the ancient obelisks of that country. It would seem, however, that that country. It would seem, however, that the story was a canard over which and the gullibility of readers the originator, has, and with the gullibility of readers the originator, has, and with the since its publication, been laughing in his original performance in the Institute, on New Years' the Khedive of Egypt had presented our neighbors with one of the ancient obelisks of the Khedive of Egypt had presented our neighbors with one of the ancient obelisks of the Country. Town or incorporated village in the Dominion, shall have authority to prohibit the sale of intoxicating liquors within its borders. They are now at work upon a Bill which, it is hoped, will be comprehensive and strong enough to effect this, and with the graph from St. Petersburg, on Sunday, to Russian provised support of the Premier, and good will be companders in Europe and Asia, to receive any

cause the Porte had been invited to send an envoy to the Russian commander-in-chief, would be to raise a suspicion that our Government has gone out of its way to provoke a quarrel. Yet it would be useless to hide the existence of influences which, if unchecked would involve us in a quarrel. A section of society, with some advantages of position, is using all its power to array England on the side of Turkey. A telegram, dated St. Petersburg to-day says : "The prevalent conviction here is that the is thought in official circles that a pacification

effort should proceed from the stand-point that peace conditions must be consistent with Russia's lignity and sacrifices, and it is believed that England cannot overlook this consideration. Rome, Jan. 1 .- The Pope has authorized Cardinal Manning to negotiate with Great Britain for the removal of certain difficulties which delay the re-establishment of the Roman Catholic Hierarchy n Scotland.

London, Jan. 1 .- It is announced from Con stantinople that the peace party are making stren-uous efforts. It is reported that they have been joined by Mahmoud Damad Pasha. who hitherto per substitutions.

A strenuous effort is being made in the United States Congress to remodel the tariff upon the active business of life, and for those and to introduce other reforms, all of which nople to consider the armistice proposal of the

Benton Items.

Woodstock presents a very changed appearance this first week of 1878 from that which it wore at the same period that which it wore at the same period last year. It has an appearance of newness and incompleteness, but looking at ness and incompleteness, but looking at its long ranges of really fine and subland would be giving a proof of her earnest desire to spare Europe further danger.

New York, Jau. 2.—A London special says:

"There is great excitement to-day caused by the sensational news from the Islaud of Crete. It The horrors of war have been fully dis-played at Plevna. The Turks are always terday attempted to enter Retimo, a small town careless of their wounded, and they have of about 4,000 inhabitants on the northern coast been accused of shooting those who could not recover so as to be of service, to save pensions ish populace who assaulted them, sparing neither the public that he has re-opened his business and all trouble in taking care of them .- er men, women or children. After driving the

organ. The intimate connection which exists between the Liver and the Brain, and the great Mrs. S. M. Session, writing from Colorado
Springs, Colorado, says: "I have been completely cured of Asthma by using Graham's Mrs. Charlotte Livingstone, of the old aristocratic Thorn family in New York, spent Spinings, Colorado, Salar Spinings, the best years of her life in her father's palace home, in foreign travel and in the old manorhome, in foreign travel and in the old manorhome, in foreign travel and in the old manorhome, in foreign travel and in the old manorniece, living in this town, who was afflicted
