To the Elector- of the COUNTY OF CARLETON

In response to requisitions numerously signed by Gentlemen from every part of the County, I shall again be a candidate for a seat in the Dominion Parliament at the approaching election I intend to visit every section of the County before polling day, and hope to have opportunities of giving my views on all matters of public interest at greater length than I could possibly do in an ordinary election card. I may say however that the present Government have in my opinion, administered the affairs of the country with honesty and ability, and as long as they continue to pursue the same course they will receive my support

Gentlemen, my individual interests are bound up in the progress of this County, and are identical with yours, I have been for my whole life known amongst you, I ask your support, and in return I will have but one consideration at heart, Chronic Constipation, the weal of our Common Country.
