# Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

gray hair is soon restored to its with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follieles are destroyed, or the glands atrophied and decayed. But such as for usefulness remain can be saved by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dan-gerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

sorbed, penetrates to the very bone, enters the irculation neutralizing all "Rheumatic Poison" circulating in the blood, and expels it from the system through the natural outles. Coothache, Earache, Headache, Neuralgia,

Toothache, Earache, Headache, Neuraigia, Rheumatism, Sprains, Swellings, Inflamation, Burns, Cuts, Rruises, Pain in Side, Pain in Back, Pain in Chest, Pain in Shoulder, Coughs, Colds, Frost Bites, Chilblains, Diarrhoea Dysen-Complaints, &c., &c. or external, in one instani of time. Pocket your prejudice and give it a trial; the investment is small and relief certain. The great secret of its success with all classes is owing to the fact that it is safe and harmless, pleasant to take, gives instant ease, and can be applied to a wider range of disease, in every day life, with greater success than any preparation which research, skill, and "Medical Science" has yet produced.

As a proof of its great power over disease, any person, no matter who it may be, rich or poor, old or young, who is suffering from any of the above painful complaints, will call at the office in Toronto, any day of the week, will get practical proof, "Free of charge," of its magical power over pain in one application.

In the first and second stages, will give great relief and prolong life in the third. It will cure Asthma, Bronchitis, Laryngitis, and Coughs, It will cure all diseases originating from want of muscular Action and Nervous force.

Do not be deceived by remedies bearing a similar name, no other preparation is a substitute for this under any circumstances.

"Suppose I should work myself up to the interrogation point?" shid a beau to

his sweetheart. "I should respond with an exclamation!" was the reply. A good-hearted but partially deaf old lady is much disturbed by the talk about the Kicapoo Indian. She doesn't see why anybody should kick a poor Indian. An old granger who came into town to purchase a piano for his daughter, asked the agent if he hadn't one with a handle in the end. "so we can all give it a turn

once in a while." Cissy.-" Pa's going to bring us home something to-night; I wender what it will be?" Tommy .- "Yes but suppose he doesn't see anything?" Cissey.—
"Oh, then he will bring something else,

The most unhappy of all men is the man who cannot tell what he is going t do, that has got no work cut out for him in the world, and does not go into any. For work is the grand cure of all the maladies and miseries that ever beset mankind-honest work which you intend get-

ting done. - Caryle. "Dear me, what charming little birds FIFTY GROSS. They are perfectly exquisite." They are not birds, my dear," replied her country cousin. "They are butterflies." "Oh you don't say so! Then these are the PURE. deah little creatures that fly from flower to flower and gather the sweet of yellow butter that we use. They are too lovely for anything." - Whitehall Times.

> It was proposed to erect a monument in the village square to the Father of his Country, and old Squire Higgins was cal-led upon for a liberal donation. "I can't give anything this time," he said; "but you may know that I always carry Washington in my heart." "Well," answered the man with the subscription paper, "All I can say is that you've got the father of the country in a very tight spot. It was on a train and he was trying

to read. There was a very sprightly little girl with blue eyes, a head of glistening gold an inquisitive tongue. She piled him with questions and toyed with his watch chain. The mother, who was a widow, fairly beamed upon him. "What do you call your little darling," said he. Widow, smiling: "Ethel." He, "Call her then." Indignation. Reading re-
