COUNTY CONVENTION.

County Convention of Carleton County met at the Court House on Tuesday, March 26th, to nominate Candidates for the Provincial Parliament.

Moved by Col. R. B. Ketchum, and seconded by William Dibblee, that Mr. Israel Merritt be elected to preside over the Convention.—Carried.

Moved by Wm. Dibblee, and seconded by Robert Brown, that Howard Sawyer be secretary.—Carried.

Delegates present—Col. R. B. Ketchum, William Dibblee, Howard Sawyer, Robert Spear, Woodstock; T. W. Longstaff, Robert Brown, Allison Phillips, Northampton; R. D. Pierson, Israel Merritt, Wm. Smith, Kent; Chas. A. Harmon, S. N. Foster, Peel; John Simpson, Aberdeen—by invitation.

Richmond, Wakefield, Wilmot, Simonds, Wicklow and Brighton were not represented.

Moved by T. W. Longstaff, and seconded by R. D. Pierson, that the Convention adjourn to meet at the Brick Office, Woodstock, at 3 P. M.—Carried.

Convention again met at 3 P. M. All the delegates who attended in the A. M. were in their seats, with the addition of P. McCaffery and A. Stephenson, of Woodstock.

On motion of Wm. Dibblee, seconded by R. D. Pierson,—

Resolved, That while this meeting heartily indorses the action of the Councillors from the different Parishes in taking the initiative in calling the Parish meetings, for the purpose of electing delegates to meet in convention to nominate candidates to serve in the General Assembly of the Province, we much regret that for want of the necessary notice, coupled with misrepresentation of a few interested individuals, a sufficient number of Parishes were not represented as would justify us in proceeding with the nomination. We would consider ourselves direlict in our duty to those who elected us did we not place on record some of the reasons which we deem sufficient to elicit the sympathy and support of all the parishes in favor of this just method of choosing candidates. We deem it to be the duty of the electors to meet together in convention and assist in framing a Platform, embodying their views and political necessities, which they should require all candidates to carry out as far as possible, before they can become eligible for nomination. We affirm that it enlarges the privileges of the people to select, as well as vote for representation, and that such course promotes purity of elections, good and economical government, and tends to place the right men in the right place. In conclusion, we urgently solicit your candid attention to this matter, and should these views meet your approbation, this convention would cordially welcome delegates from Parishes which are not represented here, to an adjourned meeting of which due notice will be given.

Moved by Wm. Dibblee, and seconded by Robert Brown, That the Councillors at this meeting compose a committee to communicate with the Parishes not represented at this meeting of the convention, according to terms of above resolution.—Carried.

Moved by Mr. Longstaff, and seconded by Mr. McCaffery, That a committee of three, or more, be formed to draft a Platform, to be presented to the Convention, at its next meeting, and subject to its approval.—Carried.

Committee—Messrs. McCaffery, Longstaff, and Ketchum.

Moved that this committee invite co-operation of delegates from all parts of the County, to help draft the Platform.—Carried.

Moved that Jas. A. Phillips, Wm. Dibblee and R. D. Pierson, be added to the committee.—Carried.

Moved that the proceedings of this meeting be published in the *Carleton Sentinel*.—Carried.

Moved that we adjourn till the second Tuesday in May next.—Carried.

Purchasers of Furniture would be consulting their own interest by inspecting the stock and prices of A Henderson, Upper Woodstock, before buying.

SPECIALITIES.—Hominy, Cracked Wheat, Self-Raising Flour, of the celebrated Hecker Manufacture, Sago, Tapioca, and other nice groceries, at Chalmers' Bros., Hamilton's building, Main Street.

ELECTRICITY.—THOMAS' ECLESIOR ECLECTRIC OIL. WORTH TEN TIMES ITS WEIGHT IN GOLD—PAIN CANNOT STAY WHERE IT IS USED!—It is the cheapest medicine ever made.—One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma, and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal difficulties, and pain and soreness in any part, no matter where it may be, nor from what cause it may arise, it always does you good. Twenty-five cents' worth has cured bad cases of chronic and blood dysentery. One tea-spoonful cures colic in 15 minutes. It will cure any case of piles that it is possible to cure. Six or eight applications is warranted to cure any case of excoriated nipples or inflamed breast. For bruises, if applied often and bound up, there is never the slightest discoloration to the skin. It stops the pain of a burn as soon as applied. Cures frosted feet, boils, warts, and corns, and wounds of every description on man or beast.

BEWARE OF IMITATIONS. Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and *Take no other*. Sold by all medicine dealers. Price, 25 cents. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE—*Eclectric*—Selected and Electrized

TO THE PUBLIC!—READ WHAT THE PEOPLE SAY IN REGARD TO THE GREAT SHOSHONEES REMEDY & PILLS.—LEVI JONES, Markham, says—"I had a very severe attack of bronchitis. I was so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonees Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so although I was much exposed through the winter in travelling.

REV. F. B. STRATTON, Demorestville, writes—"I have found your remedies particularly beneficial for liver complaint, dyspepsia and bronchial affections, and would advise all similarly affected to give them a trial."

JOHN FINLAYSON, Athol, says—"When travelling one of my feet got sore and broke out. I could not cure it and had to return home. It became better and afterwards much worse. I finally purchased a bottle of the "Remedy" and a box of "Pills," and before they were half gone I commenced to improve, and before they were finished my foot was completely cured. It is now 17 months since, but have had no further attack." Price of the Remedy in pint bottles $1; Pills 25 cents a box.

Extracts from a letter from C. H. S. Cronkhite, Esq.:—

CANTERBURY STATION, York Co., N. B., Oct. 10th, 1876.

MR. J. H. ROBINSON,—

Dear sir:—In reply to your letter of enquiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto Phosphate of Lime, is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt like a different man, and also look differently, and all for the better, as my doctor can testify.

I was unable in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night and eat as much as any lumberman.—Have not bled any since I took your preparation, and can inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement same as before I was sick. I have also gained in flesh; my weight in the summer was 173 lbs., and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement, which I am prepared to swear to, and I hereby authorize you to give it publicity in my name.

I am, dear sir, yours truly,
(Signed) C. H. S. CRONKHITE.

We the undersigned, hereby consent to have our names published as witnesses to the effects of Robinsan's Phosphorized Emulsion on the person of Mr. Cronkhite, and do assert that the foregoing statement is correct in every particular.

(Signed) ALEXANDER BENNET, J. P.
WILLIAM MAIN,
REV. THOMAS HARTIN.

Robinson's Phosphorized Emulsion of Cod Liver Oil, with Lacto-Phosphate of Lime is for sale by druggists and general dealers.

Price $1.00 per bottle; six bottles for $5.00.

Prepared by J. H. Robinson, Pharmaceutical chemist, St. John, N. B.—4i-13

There is no Anodyne or Narcotic that will bring relief to the tortured victim of Neuralgia as surely as GILES' LINIMENT IODIDE OF AMONIA. For sale by Henry R. Baird, Druggist.

"A Drowning Man will Catch at a Straw."

If he catch it, it will do him no good. Thousands of people, who having neglected colds and coughs until they have become dangerous, will rush to almost every nostrum for relief. This is why so many experiments are tried by the sufferers. Go to your Druggist, buy a bottle of WISTAR'S BALSAM OF WILD CHERRY, and use it with confidence. It will benefit at once and ultimately cure. It is no straw, it is a cable well tried; hold on to it and be saved.

50 cents and $1 a bottle. Sold by all druggists.

Its use Worth One Hundred Times its Cost.

JOY FOR THE SUFFERING!

The **French Magnetic Oil** will allay all pain, soreness, and reduce swellings in a much shorter time than can possibly be effected by any other means of cure. It will be sure to relieve where all others fail. Although it has such mighty power to do good, no injury can result from exposure while using it.

The sufferer will also be less liable to a second attack when cured by this remedy than by any other application, as it supplies the life-giving principle, **Magnetism**, to the system, and thereby gives it the power of resisting disease in all its forms.

The **Magnetic Oil**, by restoring lost **Magnetism** becomes the specific remedy for all aches and pains. So certain are its cures that NO PAIN OR PAINS IN FACE OR BODY can exist, as it possesses a power unequalled by any other agent known to the Medical Faculty.

The **Magnetic Oil** is a pain killer in the most extensive signification of that phrase. It does not banish pain by producing a greater by its use, but by its magnetic power of removing the torture. If the **Magnetic** or **Life Power** was there, you would have no pain. The **Magnetic Oil** is so compounded that it immediately supplies the lost **Magnetism**, and, by giving what is lacking, restores the affected parts to their usual good health.

The **Magnetic Oil** is the production of the French Colleges, who have for years made the **Life Giving Principle — Magnetism** — a special study, and has been used in so many cases with universal or complete success that the worst cases of aches and pains are completely cured by it.

It is the best preparation for Internal and External use that can be made, and immensely superior to anything else before the public. Why not use it and save hours of agony and suffering? **It is worth one hundred times its cost! You cannot judge its value by money.** If you had but one bottle and could not get another, money would be valueless to purchase that one.

Twenty-five cents worth **Cures HEADACHE,**
A few drops **Cures TOOTHACHE,**
Twenty-five cents worth **Cures NEURALGIA,**
Twenty-five cents worth **Cures DIARRHŒA,**
Twenty-five cents worth **Cures COLIC PAINS,**
Twenty-five cents worth **Cures RHEUMATISM,**
Twenty-five cents worth **Cures LAME BACK,**
Twenty-five cents worth **Cures LAMENESS,**
Twenty-five cents worth **Cures CATARRH,**

Twenty-five cents worth **Cures STIFF NECK,**
