Who loans for twenty-five per cent, For then I think the borrower may

Be pressed to pay for food and rent, And in the book we all should heed,

Which says the lender shall be blest

I do not like to hear him pray,

do not like to hear him pray

'd rather see him go to mill

On bended knees about an hour,

And buy the luckless brother bread,

And laugh beneath their humble shed.

And see his children eat their fill,

I do not like to hear him pray "Let blessings on the widow be!"

"If want o'ertake you, come to me,"
hate the prayers so loud and long,

That's offered for the orphan's weal,

By him who sees him crushed by wrong, And only with his lips doth feel.

do not like to hear her pray, With jeweled ear and silkened dress

And then is asked to "work for less,"

With folded arms and face demure

do not like such soulless prayers

If wrong I hope to be forgiven;

No angles wing them upward bears-

They lift to beaven their "angel eyes,"

Whose washerwoman toils all day

Such pious shavers 1 despise;

Who never seeks her home to say,

I do not Like to Hear Him Pray.

As sure as I have eyes to read It does not say "take interest." Of THE SAN JUAN! For grace to spend aright the day, Who knows his neighbor has no flour;

A TANGLED-UP GIRL.—There is a young lady in this city who says she has more parents and step-parents living than any she ever heard of. This is the way she tells the

You know papa and mamma never could agree, and so finally they got divorced. I don't say whose fault it was, but mamma did behave ugly sometimes, and even I could not get along with her. So when the separation came I went to live with papa. Shortly afterwards mamma married again, and papa was not long in following suit. I did not like it very well at first, but my stepmother turned out to be first-rate, and I got to like her splendid. Then papa seemed to get in-fatuated with another woman whom he got acquainted with, and she wheedled around him until she made trouble, and the result was another divorce and papa soon married the woman that made the trouble. When the second separation took place, I went with my stepmother because I loved her, and because my services were necessary to help take care of the baby. Then what does she do but go and get married. I declare I never Apples are so plentiful in some parts of Pennsylvania that an entire orchard has been sold at the rate of two cents a bushel kindly sort of way, as if he felt he couldn't mamma, because she is mad with me for go-By error of a single word in an act of the ing with pa in the first instance, and I can't have seen within five minutes, and having legislature the city of San Francisco loses go to papa because of that wheedling woman, lost both patience and temper, find it at \$25,000 a year in bank licenses. A North Carolina editor declares that too bad that a girl should have a father and mothers all living at once, and not a home

in whatever market it can exchange it to the most advantage. I am for rescuing it from the hands into which it has fallen, and which

THE WOMEN OF CYPRUS.—The women of I picked up my ring and stole into the house, and cried as though my heart would break. It was so unkind of him to be unkind to a poor little thing like me.

The next morning, as I sat on the front porch darning the children's stockings— dear me! it seems to me every time dear me! it seems to me every time as bass a voice as she could house, and cried as though my heart streams of fire.' And then suddenly the debtors treated it as a small matter. But the son when about entering his political arena: "Lean a little towards everything be committed in as bass a voice as she could debtors treated it as a small matter. But they could do as well as not, it would be a very large amount to the farmer, and enable him to carry on business without difficulty. The above comparison is too trived in the business because his debtors treated it as a small matter. But they could do as well as not, it would be an odmit yourself to nothing. Be round enable him to carry on business without difficulty. The above comparison is too trived in the business because his debtors treated it as a small matter. But they could do as well as not, it would be a very large amount to the farmer, and enable him to carry on business without difficulty. The above comparison is too take pride in exposing their charms, which they could do as well as not, it would be a very large amount to the farmer, and enable him to carry on business without difficulty. The above comparison is too true of the difficulties that the newspaper men have to contend with.

The latest living curiosity is a three-legged and June-like in mein and figure with recoll which is now being exhibited in Halifax. It was foaled in Cape Breton, and is perfect in form with the single exception of one fore the ancient statutes. Unfortunately they do in form with the single exception of one fore leg being wanting. This defect, however, does not hinder him from moving about at as lively a gait as if he possessed all the advantages of animals of his class.

of all the Islands, recalling the finest faces of the ancient statutes. Unfortunately they do not cultivate grace of form, and by thirty they become quite stout and heavy. There is a certain dignity and elegance about the Professor Clark has always ranked as the very first of our Veterinary Surgeons, and that science owes much to his scientific researches and skill, but his Derby Condition Powders have little or no education, but they are not women of Cyprus that is very striking .-"Ahem—ah—I suppose you have ines?"

And—ahem—you could let me taste ines?"

and skill, but his Derby Condition Powders comes nearer to perfection than anything we have ever seen. When given to horses they produce an almost magical effect by increasing the appetite, producing a healthy circulation of the digestive organs, purifying the blood, causing an equal circulation, and impart a renewed and vigorous constitution.

And—ahem—you could let me taste

whole year's subscription to the village dred other things; but she possesses one taste which interferes sadly with the performance of her domestic duties—the most insatiate hunger for literature, which she gratifies whenever she finds an opportunity, in season or out of season, morn, noon, or night, morn, noon, or night, each sadded to calculate the set of the darks and pies baked to cinders, doors left open all night, breakfasts delayed, lunches forgotten, dinners served too early or late—all on account of this love of reading which characterizes our little servant maid.

She nearly drowned baby once, while Swen wis and room and cook and do a hundred down a wine-bottle which he handed down a wine-bottle which he had filled with beer-slops, molasses and buttermilk for just such occasions. The bottle down, and as he drew his mouth clear around over his right shoulder-blade, he said:

"The Seven Wise Men.—Most people thave heard of the "Seven Wise Men of Greece," but very few know who they were or how they came to be called so, lunches forgotten, dinners served too early or late—all on account of this love of reading which characterizes our little servant maid.

She nearly drowned baby once, while servant maid.

She nearly drowned baby once, while of the dar.

The Seven Wise Men of Greece and mouth wide open in wonder, while I fiew to the door to an buttermilk for just such occasions. The bottle down, and as he drew his mouth obttle down, and as he drew his mouth blatter with the system of storp readed by pump corresponding to the engine of the train. It is brough the fort, and the fort, and the fort, and the fort of the strain to came to the collection of the strain the fort that the but his system of storp readed by pump corresponding to the engine of the train.
