Says of the Constitutional Remedy.

T. J. B. Harding, Esq.,

Brockville, Ont.

Dear Sir,—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your Agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found aecided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head.

use of it you may see proper.

IN THE SUPREME COURT. The Dominion Controverted Elections Act 1874. Election for the Electoral District of the Election for the Electoral District of the County of Carleton, in the Province of New Brunswick, holden for the Nomination of Candidates on the tenth day of September, for the Polling of the Votes of the Electors on the Sevential and relief certain. The great secret of its success with all classes is owing to the fact that it is sate and harmless, pleasant to take, gives instant ease, and can be applied to a wider range of disease, in every day life, with greater success than any preparation which research, skill, and "Medical Science" has yet produced.

As a proof of its great power over disease, any

old or young, who is suffering from any of the above painful complaints, will call at the office in Toronto, any day of the week, will get practical proof, "Free of charge," of its magical power over pain in one application.

Testimonials from all parts of the Dominion are construtly coming to hand, giving expression to the most grateful gratitude for astonishing cures which it has performed, and we would be pleased to receive testimonials from all others who use it successfully.

Physicians of the highest respectability recommend it as a most effectual domestic remedy for the relief of pain in cases of sudden emergy. 2, Your Petitioner states that the election was holden for the Nomination of Candidates on
