ELECTRICITY.—THOMAS' ECLESIOR ECLECTRIC OIL. WORTH TEN TIMES ITS WEIGHT IN GOLD—PAIN CANNOT STAY WHERE IT IS USED! —It is the cheapest medicine ever made.—One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma, and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal difficulties, and pain and soreness in any part, no matter where it may be, nor from what cause it may arise, it always does you good. Twenty-five cents' worth has cured bad cases of chronic and blood dysentery. One tea-spoonful cures colic in 15 minutes. It will cure any case of piles that it is possible to cure. Six or eight applications is warranted to cure any case of excoriated nipples or inflamed breast. For bruises, if applied often and bound up, there is never the slightest discoloration to the skin. It stops the pain of a burn as soon as applied. Cures frosted feet, boils, warts, and corns, and wounds of every description on man or beast.

BEWARE OF IMITATIONS. Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and *Take no other*. Sold by all medicine dealers. Price, 25 cents. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE—*Eclectric*—Selected and Electrized

TO THE PUBLIC!—READ WHAT THE PEOPLE SAY IN REGARD TO THE GREAT SHOSHONEES REMEDY & PILLS.—LEVI JONES, Markham, says —"I had a very severe attack of bronchitis. I was so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonees Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so although I was much exposed through the winter in travelling.

REV. F. B. STRATTON, Demorestville, writes—"I have found your remedies particularly beneficial for liver complaint, dyspepsia and bronchial affections, and would advise all similarly affected to give them a trial."

JOHN FINLAYSON, Athol, says—"When travelling one of my feet got sore and broke out. I could not cure it and had to return home. It became better and afterwards much worse. I finally purchased a bottle of the "Remedy" and a box of "Pills," and before they were half gone I commenced to improve, and before they were finished my foot was completely cured. It is now 17 months since, but have had no further attack." Price of the Remedy in pint bottles $1; Pills 25 cents a box.

ENJOY LIFE.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect.—Sample bottles, 10 cents. Try it.

Seaborn is manufacturing his celebrated New Orleans Beer; he is also trying to make arrangements with the telegraph company to have Oysters come by telegraph. If this can be accomplished, they will come in something less than no time, according to Deacon Deboice's reckoning of time. Cor. Main & Harvey streets.

In purchasing your Furnitnre don't forget A. Henderson, Upper Woodstock, who always has on hand a full stock, and keeps his prices down to the lowest figure.

Remember Chalmers Bros., have always on hand the choicest delicacies of the season in the shape of fruit and confectionery.

Telegraphic News.

LONDON, April 16.—The *Pall Mall Gazette*, in a leading editorial says:—"Whether Prince Bismarck's proposals succeed or fail, we have no reason to disturb ourselves about the situation. We are strong in the justice of our diplomatic position and can afford to wait until our material strength begins to tell in support of it by way of a merely passive presence. If Russia accedes to our stipulations for the Congress, well and good. It will be held, and we shall begin to put our hands to the most arduous piece of international work, that has been attempted in Europe since the beginning of the century. If Russia refuses to accede to those terms, there is no necessity for us to declare war against her, and it is in the last degree improbable that the Government will resort to a declaration of war. It will be sufficient for them to caution their armaments, to occupy certain points of territory (not necessarily provocative of collision with the Russian forces) and keep Russia in her present position with an unrecognized treaty in her possession, but no other gain from the war, but such as she can retain by actual physical possession at ruinously increasing cost, and there let her remain until she returns to the sense of her duty to Europe." According to advices received in Paris from Bucharest, Prince Charles has started to join his army. Constant quarrels occur between Russian and Roumanian officers and men. The Russians have prevented a train, laden with ammunition, from leaving Bucharest for the Roumanian army. The entire Roumanian militia have been called out. The Russians have stationed vessels laden with stores, ready to again close Sulina, at the mouth of the Danube if necessary. In the Commons, this afternoon, Stafford Northcote moved the adjournment of the Houses at their rising to-day, until 6th May. Wilfred Lawson, (Radical) criticised this step in view of the serious crisis. Henry Fawcett (Liberal) moved an amendment providing for an adjournment to the 29th instant. Mr. Northcote deprecated this proceeding, which he said would alarm the world. Mr. Wm. E. Forster supported Mr. Northcote's motion and said if he and his colleagues thought the Government were pursuing a war policy they would have acted otherwise. Fawcett's amendment was rejected by a vote of: yeas, 10, nays 168, and the motion for an adjournment until May 6th adopted.

SALT RHEUM CURED.—I had salt rheum on my hand for two years; I tried every doctor I could hear of. The salves, ointments, and soaps without number: nothing benefited me. A 50c. bottle of Giles' Liniment Iodide of Ammonia cured me in less than a week.

CAPT. GEORGE WOODS, Hopewell, Riverside, N. B., says:—"I suffered with a *Rheumatic Pain* in my back for twenty years till I used GRAHAM'S PAIN ERADICATOR, three applications of which cured me. I have kept it in my house for the past ten years, and find it the best article I have known for removing pain.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated blood, you are sick all over. It may burst out in pimples or sores, or in some active disease, or it may merely keep you listless, depressed, and good for nothing. But you cannot have good health while your blood is impure—WILSON'S TONIC and SARSAPARILLIAN ELIXIR purges out these infirmities and stimulates the organs of life into vigorous action, restoring health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood. Try WILSON'S TONIC and SARSAPARILLIAN ELIXIR, and see for yourself the surprising activity with which it cleanses the blood and cures disease resulting from impure blood. It regulates all the secretions, leaving the system in an invigorated natural condition. We can assure the invalid we offer him the best Sarsaparillian extract known, and we believe the best blood purifier yet discovered.

THE GREATEST PAIN EXPELLER EVER DISCOVERED.
WHAT IT IS USED FOR.

First:—It is a great **Strengthener.** Acts upon all the weakened parts by supplying a vigorous vitalizer to them akin to life itself through the entire system.

Second:—It is a great **Absorbents.** As soon as it is applied, its virtues are absorbed through the pores of the skin, while it extracts all pain, and by this means cures every kind of Pain and Ache.—**Rheumatism** in all its forms, **Lameness** and **Stiffness of the Joints, Pain in the Side, Back,** or any part of the body. **Spinal Diseases, Sprains, Earache, Toothache, &c.**

Pain cannot exist where the French MAGNETIC OIL is used.

Third:—It is a great **Nervine Tonic.** Possessing, as it does, the wondrous and infallible virtues of MAGNETIC INFLUENCE, it will therefore be found of surpassing value in all Nervous Diseases, such as **Tic-Douloureux, Neuralgia,** and all those complaints which arise from derangement of the Nervous System. By its constant supply of MAGNETISM, it subdues those complaints, equalizes the **Magnetic Current,** balances the circulation, removes all spasmodic affections, and allays all Nervous Irritation.

It is without a rival as a remedy, as it immediately supplies **Magnetic Force** to every part of the feeble and prostrate body. It is used with the most astonishing success from the start. As soon as its use is begun all aches and pains must disappear as rapidly as water quenches flame.

It is so penetrating that you get the benefit of every drop as soon as applied, so great is its power. It does not stay on the surface like a grease spot, but is absorbed by the powers and carried at once to the seat of disease, expelling the pain instantly.

It is the Greatest Pain Expeller ever used.

It is clean, safe and delicious to use, and if you use it will give perfect relief in all cases.

It is the cheapest and most valuable remedy ever given to the world. Its worth is inestimable, and its price almost nothing. Use it and it will prove itself worth one hundred times its cost.
