THE new Governor General and his wife have by this time got quietly settled down to "house keeping" at Rideau Hall, and must experience a profound sense of relief after having endured such a long succession of receptions and addresses from the time

they landed on Canadian soil.

We suppose the most arduous of the duties prescribed for the Governor General in his official capacity will not prove so wearying or wearing as has the reception of and reply to more than a score of addresses from bodies civil, religious, national, philanthropic, &c. t. It does seem somewhat absurd this deluging a stranger, about whom very little is really known, with written expressions of admiration, trust and assurance, put in all the different forms of words our language will admit of, in order that the addresses might not be each a repetition of the other. in the Methodist Church, Friday evening of However, if popular expression can signify last week, was quite large. W. T. Baird, anything to the Marquis and his Princess, Esq., occupied the chair and offered some they now feel pretty confident that they have | well timed and pleasing introductory recome among a people who have a very hearty marks.
