FACTS ARE STUBBORN THINGS.

In the mysterious power of Magnetism you
have to contend solely with Facts, and in their
application to Medicine.

Medicine, Facts the most
stubborn things, which have
been considered beyond the reach
of medicine, and have baffled the
best directed efforts of Physi-
cians and Surgeons, must be re-
solved by the use of the French
Magnetic Oil.

The moment this Great Remedy is applied ex-
ternally or taken internally, the most excruciating
pains cease to exist.

Pain cannot exist where it is used.

It is the only article that restores the life-giving
principle, Magnetism, to the patient, thereby
increasing the vital power and destroying the
nervous system, sending the blood coursing and
bringing through the veins, and withdrawing
and allowing in a few moments all pains and
suffering, from whatever cause.

Headache, Toothache, Stomach-ache, and all
kinds of aches are stopped in a few minutes.

Neuralgia, Rheumatism, Sciatica, that have resisted
all remedies, must retire under the use
of the French Magnetic Oil. Rheumatism,
Lumbago, Lame Back, Sprain, &c., in
all these cases relief is sure to follow the use,
while the influence of the French Magnetic Oil,
Dysentery, are relieved at once. This may seem
too good to be true, but it is true, and to ac-
knowledge who gives it out on trial.
