J. C. MILMORE.

WOODSTOCK, N. B., SATURDAY, JULY 5, 1879.

Poetry.

Unguarded Tongues. longues unguarded throw disaster Right and left, for words run wild, Cutting deep, dividing fond hearts, Turning parents from a child. Tears cannot assuage each wound; Sorrow hovers o'er the places Where unguarded tongues are found.

I have seen the laugh of childhood Checked by some unforbidden tone; For harsh words or constant chiding Wear like drippings on a stone. Fed by frowns, the child of nature Done a moody, sullen air;

Innocence gives place to boldness, Joyfulness to grim despair. I have seen the cheek of girlhood Blanch beneath a thoughtless word, While a rush of bitter anguish All unsought the young heart stirred; Trusted, while the trust proved vain-These cold words of carless meaning,

> I have seen the eye of old age Under tears grow dim and blurred-Hurried to their graves by woe !

Quick aroused to fresh, deep pain.

But they whisper, very often, "We are burdens, well we know. Oh, how keen the wedge is driven In fond hearts by words that sting-Though years pass and changes ring

"Set a guard before your tongue."

Select Tale.

A Night of Danger. Riding hard and fast, almost as i dear life, along the wilds of a vast prairie I found myself to my intense astonish ment, entering upon a straggling settlement, and pulled up to reconnoitre and

That I had missed the way was all too will give life, vigor and strength to both sexes. plain; for, on the course that I ought to have come, there was not a cabin or a single settler. Almost any traveller in the border section would have been rejoiced to thus

ries for a term of years. It had been urged in favor of letting this ferry this year in the way it was that new boats were necessary, as the old ones were unsafe, but they had now lost the chance of securing new boats, because the buyer had bid more for the ferry than he can afford to pay. They had been doing this ferry business wrong, and should now amend their ways, not continue in

wrong doing.
Mr. Hartley said the approaches to the ferry were in a worse state that he ever seen them before, and suggested that Holmes should be instructed to expend the amount of the purchase money in repairing the approaches. It was not prudent to drive down to the ferry with a light waggon, and he did not see how a loaded team could get to and from the ferry at all. They could not expect much revenue from the ferries, especially since the bridge was built at Woodstock which had proved a great convenience to the
