Communicated. And while the party to which I belong has the better. yet I hold myself ready, and shall be most insertion, happy, to discuss this subject, in a friendly way, through the columns of the SENTINEL, with Mr. Sharp. Mr. Sharp says that "I am evidently sincerely of the opinion, with regard to these bonnet makers of Luton, that Government (the British) should interfere in MR. EDITOR .their behalf, and take such measures as | Sir :- Now that the so-called Union meetwould compel the people of the British Empire | ings are ended, will the gentlemen who conto buy their especial hats made by these peo- stituted the Union Conference, inform the Empire, refusing to buy, should be subject to cipate in those meetings? pire," with " England" proper. Surely the the above you will oblige gentleman is aware that the British Government does not frame a tariff for the colonies; Jan. 14th 1879. it has neither the right nor the power. Our Dominion Government frames a tariff to suit itself; the Australian Colonies do the same. gladly publish a simple answer from any au-This straw bonnet question only concerns the thorized person. Further than this we trust Of this amount, due schools, people of the British Island, Mr Sharp it may not be necessary to use our columns speaks of "abstract right," this is beside the for any reference to the subject .- EDS. SEN. subject. I suppose every man has an abstract right to the soil on which he treads, but in civilized life this right is very much circumscribed. A man has no doubt, the right to its use in first-class cars. If every man should insist on enjoying his abstract rights panied by the money to ensure insertion. civilized society could not exist. Mr. Sharp | Short notices not exceeding 6 lines, 50 cents introduces the words Liberty, Equality, Fra- arst insertion; 15 cents each subsequent insertion. ternity. These words as they thus stand have, I believe, been borrowed from the actors pudiate them, in what may be termed their French signification; Liberty meaning abstract rights, and Equality meaning a redistribution of property. Mr. Sharp says " all despotie forms of Government must be abolished." I would like to know what particular Governments he includes in this category ; a our Dominion Government, or England, or France, or the United States included, or are they not? Mr. Sharp wants it decided Britain a right to place a duty on imported with Mr. Sharp's plan of "masterly inacremains then for them to emigrate. I believe loval, hear many things unpleasant to their feelings, and these 48,000 emigrants from Luten (who, you will remember, are mostly increase the population of a rival nation. And now, intelligent readers of the SENTINEL. which do you prefer, home employment, I can gather from the tenor of Mr. Sharp's article he thinks it wrong (despotie) in any that as money must be had, our rulers must | touching the Legislative Council. resort to "direct taxation." If this is the view held by Mr. Sharp, I think he will find British Empire (which includes New Bruns- interest is always in order. wick) to buy those Luton hats, and the word "all" in the foregoing question might be made to cover this ground, which is absurd.

WILLIAM BOYLE, Nortondale, Jan. 6th 1879. FOR THE CARLETON SENTINEL.

MR. EDITOR,prosperity of Mr. C. P. Brown, of Central in his own country." How are the brothers | tions. of C. P. Brown, who stayed in their native Province, making out? Travelling last week I have ever seen. Enquiring as to who was getting this lumber I learned that it was a New Brunswicker at home, J. A. Brown. enced lumberman, running a concern on Black Brook.
