# RAKES!

First Prize at the Provincial Exhibition, 1878.

ENCOURAGE home manufacture. The best most durable, easiest worked, and cheapest Rake is made by CONNELL BROS. We are determined to make a Rake superior in every respect to any other in the market. Our facilities for manufacturing are unsurpassed, and we can sell at cheaper rates than We make three different kinds of Rakes, varying in price from \$25.00 to \$35.00. There is no danger of broken Axles, as we use only wrought iron of best quality. No Springs, Ratchets or Cog Wheels to get out of order. Will rake on rough or smooth ground, and excels all others in simplicity, strength and

durability. Our new patent which we now

offer for the first time, adapted for any kind of raking, is the most simple and easily worked hand and horse dump ever put upon the market.

We make RAKES to order of any width or any number of teeth required. Beware of the cheap and poorly made American and Canadian RAKES, with cast iron axles, with which the market is being flooded. Save your money and don't buy from any one until you see our RAKES. Send in your orders early to secure having them Our PLOWS also took FIRST PRIZE at the Provincial Exhi
