Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is prepared with the finest cod liver oil,—one of the most esteemed remedies in the catalogue of the "Materia Medica,"-Lacto-Phosphate of Lime, which enters so largely into the formation of bone material and other important tissues of the body-Phosphorus, the great brain and nerve tonic and invigorator, in a form and combination most desirable to obtain its fullest effects, together with other valuable remedial agents, not the least of which is Iron the great blood prothe least of which is Iron the great blood pro-ducing element. These are all intimately com-bined in one demulcent fluid of homogeneous ap-pearance and delicate flavor, possessing remark-able power in arresting the decay and supplying the waste constantly going on in those abnormal conditions of the system affected by such diseases conditions of the system affected by such diseases as pervert and impair nutrition, vitiate the blood and sap the vital forces. It is highly recommended for Consumption, Chronic Bronchitis, Coughs, Scrofula, Scrofulous and Syphilitic Ulcers, Tumors, Diseases of the Bones, Joints, and Spine, General Debility, Emaciation, and all Impurities of the Blood. It is particularly adapted to Delicate Females in those low states of the system that manifest themselves in so many of the ailments peculiar to their sex. To the aged and infirm its nourishing and invigorating properties will give renewed strength and buoyancy of spirits and to very young children its continued use will be found of incalculable benefit, as its tonic and nutritive properties supbenefit, as its tonic and nutritive properties supply the blood with strength-giving materials for bone and muscle structure, and thus furnish the foundation for strong and healthy constitutions. It is very pleasant to the taste.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.
