WATERVILLE, June 7, 1879. Gents .- In reply to yours of the 4th inst., asking how I liked the Walter A. Wood Mowing Machine that I purchased from you last season, will say that it is the best machine I have ever used. It is satisfactory in every respect. I have used the Warrior and Buckeye Machines (both good Machines) but I must say I think the Walter A. Wood beats them all. I am satisfied one horse can mow with it as easily as two can with any other machine made. You can say just what you please in its favor and I will endorse it.

Yours, truly, The Walter A Wood Mowing Machine, the STANDARD. Call and see it. Terms Liberal.
