A MEAN ADVANTAGE.—There was score or more of women gathered together at Mr. Johnson's house. Mr. Johnson is a good-hearted man and a respectable citizen, though he is rather skeptical about some things. The women had just organized "The Foreign Benevolent Society" when Mr. Johnson entered the room. He was at once appealed to do-nate a few dollars as a foundation to work on, and Mrs. Graham added: "It would be so pleasant in after years for you to remember that you gave this society its first dollar and its first kind

word."

"Is this society organized to aid the ooor of foreign countries?" "Yes-yes-yes?" they chorused. "And it wants money?"

"Yes-ves." "Well, now," said Johnson, as he folded the bill in tempting shape, "there are twenty married women here. "Just hear him!" they exclaimed, each one looking at the other. " If ten of you have boys without holes in the knees of their pants this 'X' goes to the society!" said Johnson.

Nearly every person that has taken any preparation of Cod-Liver-Oil, knows how very liable it ration of Cod-Liver-Oil, knows how very liable it is to disagree with them after a time; this is mainly due to the inability of the stomach (weakened by disease) to digest the full amount of the oil taken. To overcome this trouble we have added Panceratine to our Emulsion, which not only assists in digesting the oil, but is an acknowledged remedy of itself in the treatment of Consumption.

In taking Mattison's Pancreatic Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, you receive the benefit of three of the best remedies known to science, in the treatment of any of the above diseases.
