Hear what a Reverend Gentleman

says of the Constitutional Remedy.

DEAR SIR,—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the

cure would remain permanent before doing this,

Circular I saw my case described in many parti-culars. The inward "drop" from the head had become very disagreeable, and a choking sensa-

tion often preventing me from lying long, I would feel like smothering and be compelled to sit up in

the bed. My health and spirits were seriously affected. When your Agent came to Walkertown in August, 1876, I secured three bottles. Before

tic medicine that can be employed : cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health. AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed.

They reach the vital fountains of the blood. and strengthen the system by freeing from the elements of weakness. Adapted to all ages and conditions : all climates, containing neither calonic nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh and makes them pleasant to take: while being purely vegetable, no harm can arise from their use in any quantity.
