THE POLITICAL OUTLOOK. The next presidential campaign will have one important feature—it will virtually express the people's verdict upon the questions at issue between the leading political parties. For behind our government, behind our politicians, behind all the legislative machinery, rings, and petty partizan organizations, is the real ruler and director of our government the sovereign people. Every official will be brought before the inquisition of the people's tribunal, and all proved unworthy will genuine article. That the American people have so long acknowledged, by both word and patronage, the genuineness and value of Dr. Pierce's Family Remedies, is proof conclusive that their use fully justifies their discoverer's John, on the morning of August 6 h, by Rev.
