TESTIMONIAL FROM CAPT. JOSHUA HARPER. SACKVILLE, N. B., Feb. 13, 1877. J. H. Robinson, Esq., St. John, N. B.

daily spells of bleeding for some days, until I dost about two gallons of blood, and was so weak as to be scarcely able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got a half dozen bottles, after taking which I feel myself a well man again. My weight which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung diseases.

Yours very truly,

THE regular meeting of the above company will be held in the Council room, on Monday evening, November 3rd, at 7.30 o'clock. Business of importance, such as being sworn in constables, adopting by-laws, &c., will be before the meeting. Those persons who have signified their intention of becoming members and who have not as yet attended any of the meetings of the Company, will have to be present on the 3rd inst., as the roll of membership must be filled.
