CAUTION TO SMOKERS—A SHOCKING ACCIDENT.—During Tuesday afternoon Rev. Andrew Merkel, with his wife, was in a carriage proceeding from Chester to some part of the Western Shore of Lunenburg County. Mr. Merkel was smoking, when a spark from his pipe set fire to his wife's dress. The material of which the dress was composed being of an inflamable nature, the wind soon fanned the spark into a flame, which almost instantaneously enveloped Mrs. Merkel. Her screams brought to the scene Mr. Whalen, a blacksmith who lives in the vicinity, and with his aid and that of Mr. Merkel, in using the carriage rug, the flames were extinguished, but not before the unfortunate lady had been severely burned. Her arms, legs, and the lower part of her body were so badly burned that the flesh peeled off. Medical aid was procured, but up to the latest advices it was not known whether the sufferer would survive. Both Mr. and Mrs. Merkel are well known in this city, where they resided for some time. This accident should teach smokers to be very careful in indulging in the use of the weed—it ought to deter them from doing so in the presence of ladies under any circumstances.

Later intelligence informs us that Mrs. Merkel still lives, but doubts are entertained of her recovery. Mr. Merkel was severely burned—the flesh had to be cut from his hands with scissors. Mr. Whalen also suffered.—*Reporter, Halifax, N. S.*

Mrs. Merkel has since died.—EDS. SUN.

A Wilkesbarre, Pa., despatch, dated Aug 9th, says:—

"Two hundred delegates to the International Convention of the Fenian Brotherhood, now known as the Knights of Clantarf, have arrived. The session began yesterday and continues ten days. One delegate stated yesterday the charge by England that Russia had paid for the breech-loading rifles found among the Zulus is unfounded. These arms had been paid for by the patriotic Irish of America, who will never cease to harass England. The Zulu surprise is only one of many they have prepared for her."

This is a rather transparent effort to make it appear that money given to this branch of the Fenians is put to a more practical purpose than most of that which was previously given. On the other hand, looking at the large number of honest and worthy Irishmen in Her Majesty's service, one cannot but feel that if this story is true a good many of them have been killed by the Zulus whose deaths are fairly chargeable to their own countrymen.—*Globe.*

THE FEVER PLAGUE — TERROR AND FLIGHT.—*Memphis, Tenn., August* 12, 1879.—Great ravages of the scourge may be anticipated in the near future. The whole city is infected, and nothing but the depopulation of Memphis, which is well nigh accomplished, will save her from the scenes of last year, when scarcely a hundred souls of her population of 18,000 escaped the pestilence. So far it has been a remarkable fact that of her prominent citizens, who have been stricken, only one has recovered.

From Corinth, Miss., news comes that owing to the illness of the Mayor and president of the Board of Health, who are supposed to be sick with yellow fever there is a perfect stampede from that city, many of the country farmers have quarantined against them, and they were roaming through the woods trying to find a refuge.

A DISAPPOINTED HUSBAND.

How many young husbands have been wakened from their dreams of domestic happiness and prosperity by the anxious care of a sickly wife! The home is not the elysium the lover had so fondly pictured. Its atmosphere is gloomy with invalid complaints. Sweet-winged hope that at first brooded on its hearthstone, soon fled, and an ominous bird is there instead, croaking of disappointment. The many little household offices that should be the delight of the wife to perform are confided to strangers. The home soon becomes one only in name, and the disappointed husband seeks pleasure and society elsewhere, and goes downward step by step, from vice to vice, until the ruin is complete; and all because a wife has lost her health, and with it her temper and all those sweet womanly graces that can alone retain the love the maiden had won. Dr. Pierce's Favorite Prescription is an efficacious remedy for the painful diseases and weaknesses incident to the female organism. It is both a tonic and a nervine, strengthening the parts as well as remedying the diseased condition.

ELECTRICITY! THOMAS' ECLESIOR ELECTRIC OIL! WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back, of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical:—J. Collard, of Sparta, Ont., writes, "Send me 6 dozen Dr. Thomas' Electric Oil, have sold all I had from you, and want more now, its cures are truly wonderful."——Wm. McGuire, of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now."——H. Cole, of Iona, writes, "Please forward 6 dozen Dr. Thomas' Electric Oil, I am nearly out, nothing equals it."——J. Bedford, Thamesville, writes, "Send me at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction."——J. Thompson, Woodford, writes, "Send me some more Electric Oil, I have sold entirely out. Nothing takes like it."——Miller & Reid, Ulverton, P. Q., write, "The Electric Oil, is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in bottle, and take no other. Sold by all medicine dealers. Price 25 cents. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE.—*Electric*—Selected and Electrized.

The Supply Depot of the entire bodily economy is the stomach. There it is that the manufacture of blood goes on, and upon activity of the great digestive organs depends in a great measure the well-being of the system. If its functions are interrupted by dyspepsia, biliousness and constipation supervene, the blood becomes meager in quantity and poor in quality, the appetite impaired, nervous symptoms manifest themselves, and there is a loss of flesh and vigor. As a means of stimulating and invigorating the stomach and remedying the above deplorable state of things, Northrop & Lyman's Quinine Wine may be confidently relied upon by debilitated, dyspeptic, and nervous sufferers. Not only is it a tonic of well and certain merit, but a most agreeable one. Its flavor is unexceptionable and it contains no ingredient that can prove harmful to any one using it. It proves most efficacious in remedying weakness and nervousness when the directions are strictly adhered to. As an anti-periodic, it possesses great excellence. Chills and fever, bilious remittent fever, and the minor malarial complaints, dumb ague and ague cake, are eradicated by it, and the system fortified against their return. It is an article which bears a time-honored reputation and has proved its efficacy in numberless cases well calculated to put the remedial value of any remedy to a crucial test. Refreshing sleep, increased muscular force, a gain in flesh and mental cheerfulness are among the blessings which it confers. Intending purchasers should not forget to ask for the Quinine Wine, prepared by Northrop & Lyman, Toronto. Sold by all Druggists. 1m-34

The Vitalizing Nutritive-Tonic qualities of *Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime*, would indicate its great value as a Restorative and Invigorator, in that low condition of the system prevailing in patients recovering from Diphtheria, as well as Fevers, especially those of a Typhoid character; while, if taken when the premonitory signs of lassitude and weakness appear it would have a tendency to prevent the attack, or lighten and shorten its duration. The cases in which it has been used fully bear out this hypothesis. It stimulates the enfeebled powers, and builds up and gives fresh life and vitality to the whole system.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price $1.00 per bottle; six bottles for $5.00. 21-34

A BONE SPAVIN ON A VALUABLE HORSE.—Blistered, fired, rowelled, and did every thing without any benefit. A neighbor advised me to try Giles' Liniment. I bought a quart bottle. To my intense satisfaction, the bony deposit disappeared, also the lameness.

H. B. EDWARDS, Park Hotel,
Oceanport, N. J.

Sold by all druggists. Send for pamphlet.

Mrs. S. M. Session, writing from Colorado Springs, Colorado, says: "I have been completely cured of *Asthma* by using Graham's Pain Eradicator while living in Canada.—Since coming here, I recommended it to my niece, living in this town, who was afflicted with Scrofula, that settled in her ankle, she became unable to walk, but the use of that valuable preparation cured her completely. Several others have used it with the best results, and it is highly prized here."

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, *Station D New York City.* 1y-8

THE GREATEST PAIN EXPELLER EVER DISCOVERED.

WHAT IT IS USED FOR.

First:—It is a great Strengthener. Acts upon all the weakened parts by supplying a vigorous vivalizer to them akin to fire itself through the entire system.

Second:—It is a great Absorbent. As soon as it is applied, its virtues are absorbed through the pores of the skin, while it extracts all pain, and by this means cures every kind of Pain and Ache.—Rheumatism in all its forms, Lameness and Stiffness of the Joints, Pain in the Side, Back, or any part of the body. Spinal Diseases, Sprains, Earache, Toothache, &c.

Pain cannot exist where the French MAGNETIC OIL is used.

Third:—It is a great Nervine Tonic. Possessing, as it does, the wondrous and infallible virtues of MAGNETIC INFLUENCE, it will therefore be found of surpassing value in all Nervous Diseases, such as Tic-Douloureux, Neuralgia, and all those complaints which arise from derangement of the Nervous System. By its constant supply of Magnetism, it subdues those complaints, equalizes the Magnetic Current, balances the circulation, removes all spasmodic affections, and allays all Nervous Irritation.

It is without a rival as a remedy, as it immediately supplies Magnetic Force to every part of the feeble and prostrate body. It is used with the most astonishing success from the start. As soon as its use is begun all aches and pains must disappear as rapidly as water quenches flame.

It is so penetrating that you get the benefit of every drop as soon as applied, so great is its power. It does not stay on the surface like a grease spot, but is absorbed by the powers and carried at once to the seat of disease, expelling the pain instantly.

It is the Greatest Pain Expeller ever used.

It is clean, safe and delicious to use, and if you use it will give perfect relief in all cases.

It is the cheapest and most valuable remedy ever given to the world. Its worth is inestimable, and its price almost nothing. Use it and it will prove itself worth one hundred times its cost.
