to satisfy the most skeptical. Thomas Robinson, Farnham Centre, writes: "I have been afflicted with Rheuanatism for the last ten years, and have tried mans remedies without any relief, until I mend it to all.

Thomas' Eclectric Oil' for two years, and M, sharp. A full meeting is requested. I never sold a medicine which was given more thorough satisfaction. I have used it in my own case on a broken leg and dislocated an kle, with the best results." A. H. Gregg, Manufacturer of Mowing Machines, Truemansburg, N. Y., says: "My thumb was caught in a machine and badly injured, being away from home for two days, was obliged to apply such remedies as I

could get, but without relieving the pain. Immediately upon reaching home I applied the Eglectric Oil, with almost instant reli-f. I have large number of men employed, and your Oil has established for itself such a reputation that nearly every one of them keep BEWARE OF IMITATIONS.-Ask for Thomas' Eclectric Oil. A Loss THAT CAN BE REPAIRED .- It is s

well ascertained fact, proven in numberless instances, that the weak and nervous can repair the loss of vitality which they have experienced with Northrop & Lyman's Quinine Wine, a medicine specially adapted to invig-orate those in delicate health, overcome dyspepsia and fortify the system against disease. It has a high reputation also as a remed for bilious, remittent and intermittent fever. A pleasant taste is anothor of its recommendations-Sherry Wine, of the first quality and other ingredients of an aromatic nature, being mingled with the renowned drug from which it takes its name. It contains nothing of a deleterious nature, acts with promptithe desired effect, and stands pre-eminent among articles of its class. It healthfully stimulates the appetite, induces sound repose, promotes a regular habit of body, banishes every trace of indigestion, and relieves the feeling of depression, with which nervous and dyspeptic persons are usually troubled, in addition to the purely physical symptoms which harass them. It should be borne in mind that when it is used to remedy fever mind that when it is used to remedy fever and ague and bilious remittent fever, the doses should be taken in the periodic absence of the fever. The statements made here in regard to the medical properties of the Quinine Wine are not random allegations, but facts which close observation of its effects for years past fully verify. Of course it will not cure diseases to which it is not specially adapted, but that it is a medicine of surpassing efficacy in the particular line we have indicated is beyond all reasonable doubt. A wine-glass, three or four times a day, about half an hour before meals, is the usual dose. Purchase only the Quinine Wine pre pared by Northrop & Lyman, Toronto. Sold by druggists every where.—1m-47

MARRIED. inst., by the Rev. H. Pope, Mr. W. Albert Mooers, of Woodstock, to Celia, eldest daughter of Andrew

At the residence of the bride's father on the 26th Lawson, Esq., of St. John. No cards.

DIED At Upper Woodstock, on the 5th inst., Ernest Milton, aged 19 years and 10 months, second son of Rev. G. T. Hartley. He had for ten years been ill of spinal affection, and had suffered much; but all his sufferings were borne with remarkable patience. For a year previous to his death his sufferings were at times most excruciating, but he was abundantly sustained by the great grace. Though he often longed to have his sufferings cease and to be at rest with Jesus, he evinced true Christian resignation. He avowed his taith in Christ by

baptism when 13 years of age. Bro. Hartley and family have the sympathy of their many friends. The funeral was attended by Revs. T. S. Vanwart, G. W. McDonald and W. De Ware.—Com. At Williamstown, at his son's residence, on 29th ult., Andrew Hunter, aged 83 years, leaving a widow and a large family to mourn his departure. On the 16th inst., Sarah, beloved wife of George Clowes, in the 36th year of her age. A few more years shall roll,

A few more seasons come, And we shall be with those that rest Asleep within the tomb.

Then, O good Lord, prepare Our souls for that great day O wash us in thy precious blood, And take our sins away.

Very truly, J. SIMONAUD, M. D., New Orleans, La. MESSES SCOTT & BOWNE; - Gentlemen - In September, 1877, my health began to fail and my bysician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May hast I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared night and morning coughs. night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall sixteen weeks. I have taken no other medicine since commencing with your Education and their continue its use notil I am perfectly well. Messra Scorr & BOWNE: About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach: I continued its use. gradually increasing the dose; and from that hear I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
