VEGETINE

The Watchmaker's Report. EVANSVILLE, IED., Dec 27, 1876. DR. H. R. STEVENS:-I have suffered with Scrofula and Scrofula Humors ever since I could remember; it has been in our family for years before I was born. I inherited it. I have tried all kinds of medicines. After having used a great many other patent medicines, after having paid many large doctor's bills, I heard from a neighbor that VEGETINE had cured him. I had good faith because I saw it, TEW and re-furnished throughout, this Hotel and so I went to the Duddenhausen Eagle Drug Store to purchase a bottle of the VEGETINE. I kept taking the VEGETINE, and, in fact, I became It is conveniently located for business men, and s pleasantly situated. A Sample Room on the better and better. Spare the Horse. O, teamster, spare that horse, How hard he tries to go, There's load enough for two, Don't strike another blow. Give him a helping hand, Or ease the load, I pray, And he your kindness will A thousand-fold repay.

How patiently he toils, All through the heat and cold, A faithful servant still, Though wearied, worn, and old Poor, dumb, unconscious brute ! And yet he seems to know, Caressing oft the hand That deals the cruel blow.

What an imploring look, And what a knowing eye, And yet without the power To utter e'en a cry. See how he writhes and shakes, While smarting with the pain. Oh, cruel driver, pause! Don't strike the brute again.

Humanity, at last Brought to a sense of shame, Will punish those who give Unnecessary pain. Oh, driver, spare that horse, How hard he tries to go; There's load enough for two, Don't strike another blow
