Centreville, C. C., April 1, 1879. FOR THE CARLETON SENTINEL MR. EDITOR,—It seems that a member of the House of Assembly, being a Parish Court | sed, and that colonial subjects feel themselves Commissioner, and leaving his Parish with- intelligent enough to conduct their own afout the benefit of a Commissioner during the term of the session of the House, cannot be doing his duty to the people as a representafore the assumption of legislative duties; ernor General as justifiable and prudent. that the Parish of Wilmot is now left without a Commissioner, shows that the Act for the formation of Parish Civil Courts needs Peace ought to be increased to the extent of P. C. Commissioners, which in review of the personal qualifications of the various P. C. C.'s, compared with those of the ordinary acting Justices of the Peace in this County ought most decidedly to be done, or a larger

Garleton Sentinel

SATURDAY, APRIL 12, 1879. SENTINEL Office, in Brick Building,

The Letellier case has passed into another phase, in which we confess to regard it with some anxiety. The Government passed an order for the dismissal of Letellier, but the Governor General declined to sanction it without first submitting the matter to the Imperial Government. To that arbitration it has now Governored. To that arbitration it has now Governored as a carrying trade of this continent, and to the confess to regard it with doubt not, heartily lend their influence in day and every proper way. The physical and every proper way. The physical and ware and a sufficient submitted to speak water, and the trace of the day vance and a sufficient in the taxes was \$1,741,930—a considerable advance and a sufficient submitted to speak and closed by singing "Good Night." The government to the treasury \$886,586; last doubt not, heartily lend their influence in day and every proper way. The physical sate by Mr. W. A. Moorer. President Wallace of the Chatham Branch Railway matter, and the large expenditure on bridges and great years. Otterell, Barbarie, Thompone and the treasury \$886,586; last the equally, and therefore unjustly, the burden \$1,741,930—a considerable advance and a sufficient submit to the treasury \$886,586; last the equally, and therefore unjustly, the burden been submitted.
