Mr. Butler gave notice of resolution to the effect that time of holding session be not later than 10th of February in each year. On motion of Secretary, House went into committee on bill to fix indemrity of members, and salaries of President of Legislative Council and Speaker of the House of Assembly. The bill provides that the sessional allowance of members shall be \$300, with President of the Legislative Council \$700.
The bill was agreed to and the house adjourn-

SNAKES AS LIFE DESTROYERS. The loss of life in India due to the ravages of venomous snakes is almost incredible. Yet the disease which is as wily and deadly as the deadliest India reptile, is winding its coil around thousands of people while the victims are unconscious sands of people while the victims are unconscious of its presence. It has long been a hobby with neompetent physicians to assume that consumption is incurable after the formation of tubercles has begun; and in every case they fail to effect a cure,—of course tubercles had begun to form and they were incurable. The records of medical science disprove any such theory. On the contrary, in cases of lung diseases which had been cured and the patients lived forty and fifty years in robust health, post-mortem examinations showin robust health, post-mortem examinations show-ed large cicatrices (scars) where the tubercles had been formed and removed. The tubercles are removed by absorption into the blood. An efficient alternative, Dr. Pierce's Golden Medical Discovery, must be used to cleanse the blood of the scrofulous impurities. For tubercular consumption is only a form of scrotulous disease.
Golden Medical Discovery is a sovereign remedy for all forms of scrofulous disease, or king's-evil, such as tumors, white swellings, fever sores, scrofulous sore eyes, as well as for other blood and akin disease. and skin diseases.

J. H. ROBINSON, Esq., St. John, N. B.

Dear Sir:—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a severe attack of bleeding from the lungs, while on a voyage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to be scarcely able to stand. I put back to Queenstown, where I received such medical as-Queenstown, where I received such medical as-

Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immeditately sent and got a half dozen bottles, after taking which I feel myself a well man again. My weight which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung diseases.

Yours very truly.
