These are all intimately combined in one demulcent fluid of homogeneous appearance and delicate flavor, possessing remarkable power in arresting the decay and supplying the waste constantly going on in those abnormal conditions of the system affected by such diseases as pervert and impair nutrition, vitiate the blood, and sap the vital forces. PRESCOTT, ONT., 24th of June, 1878 MR. T. GRAHAM, - Dear Sir, - I have long | HAT commodious double tenement, on Condesired to add my testimony to the many others you have regarding the efficacy of your Pain Eradicator, and have only been deterred from doing so long ere now by the difficulty of saying all that I have found it good for in the compass of a letter. I have used it in the compass of a letter. I have used it in every kind of pain from a mosquito bite to severe inflammation, and have always found it to give immediate relief. On several occasions suffering from severe pain on the left side, which is almost chronic, and when I otherwise would have had to go to bed and submit to medical treatment, an application of your valuable remedy has made me fit for work in an hour's time. I take pleasure in recommending it when I see any one suffering, and hope for the sake of humanity that its use may be universal. I shall only be too happy to know that you make use of this in any way you think best.

I remain in gratitude yours

An efficient and convenient mode of application has long been desired, and has at length been occomplished. It has long been known to Scientists that Magnetism is stored up in many vegetable oils, and, by knowing how to combine them, a medicine may be made which, by using internally and externally, deficient Magnetism may be restored to the system. This has been done in the great Medical Schools of Paris, and given to the world under the name of French Magnetic Oil.

Pain cannot exist where it is used. It is the only article that restores the life-giving principle, Magnetism, to the sufferer, thereby increasing the vital power and electrifying the nervous system, sending the blood coursing and bounding through the veins, and withdrawing and allaying in a few moments all pains and spasms, from whatever cause.

Headache, Toothache, Stomach-Ache, and all kinds of aches are stopped in a few minutes.

Neuralgia, Tic-Douloureux, that have resisted all other remedies, must retire under the use of the French Magnetic Oll.. Rheumatism, Lumbago, Lame Back, Stiff Neck, Sprains, in all these cases relief is sure to follow its use, while inflammation of the Bowels and Colle, Dysentery, are relieved at once.
