THE HON. Mr. Archambault, a member of the Quebec Legislative Council, was not very complimentary to his fellow members of that body, when he told them that the majority among them did not wield enough influence to secure their return as Parish beadle. THE Vice-President of the Sabbath School Convention, for the Parish of Woodstock, has called a public meeting for Monday even- ing next, at 7.30 o'clock, in the Methodist Church, Hay Settlement. Addresses will be delivered by a number of gentlemen. The	flour to supply the demands for home con- sumption. We hope succeeding years will see our farmers supplying as well the quan- tity required for consumption in the lumber woods. We should like very much to be put in possession of an approximate to the quantity of wheat raised this season in Carleton Co., but have no means of getting that informa- tion, unless some friends in the different dis- tricts will take the trouble to assist us and obtain and forward the figures. A LARGE number of subscribers have as yet made no reply to the bills sent them.—	 Twain; Clarence's Dream — Shakespeare; The Bridge of Sighs—Hood; A Charity Dinner—Litchfield Moseley. MR. LETELLIER, ex-Governor of Quebec, was the recipient of a great public demonstration, at Monteeal, on last Friday night. There was a torchlight procession of 5,000 persons, and the accompaniments of bands, fire works, and orations by notable public men. Resolutions complimentary of Mr. Letellier, and protesting against the recent actions of the Legislative Council, were adopted. The Canada Gazette contains the following: 67th Battalion, "The Carleton Light Infantry." No. 9 Company, Peel:—To be 2nd Lieutenant, Sergeant Cook Beardman Wheel- 	Messrs. J. P. and F. W. Bowes. It is to take the place of the defunct <i>Borderer</i> . THE three leading banks of Europe are the bank of England, founded in 1694; the bank of France, established in 1800, and the bank of Germany, founded in 1875. A LARGE delegation of the people of Aroos- toek went West on Monday, to attend the State Fair, which is being held this week in Portland, Me. THE Bishop of Maine, Dr. Neely, will hold a confirmation at St. John's Church, Richmond Corner, on Sunday morning, (21st) at half-past ten. The Bishop will proceed to Houlton in the af-	to the advantages of the age in which we nive, the civil and religious liberties we enjoy; in order that these privileges may be preserved, churches should be built and the worship of God maintain- ed. The recitations were humorous, entertaining and instructive. This brought to a close a very pleasant day. The total receipts for the day were \$118.40, which go toward the completion of the F. B. Church in Authurette. R. O. (Religious Intelligencer please copy.) LITERARY NOTICES.—The October number of Harper's Magazine is unusually rich in illu- strations and varied in its literary attractions. Among the latter are, of course, to be placed first the new serial novels by William Black and R. D. Blackmore. A very powerful short story —"The Revolution in the life of Mr. Balingall" —is contributed by Sherwood Bonner, the author of "Like unto Like;" and there is also a very brief but unique story by Mary N. Prescott, en- titled "Belle's Diary." Miss Mulock's serial novel, "Young Mrs. Jardine," increases in in-	was on the alert, and slew six men ere he was cut down. The pursuit of Cetewayo continues hotly. He has spilt up his party and taken to the bush. Pursuers have been within three miles of the King and have actually seen members of his following. General Wolse- ley has informed the Northern chief that any chief harboring Cetewayo will be pur- ished. A native prisoner has promised to show the King's hiding place. The bus where he is supposed to be secreted is ne- being surrounded by 900 men. The future great wheat field of the world is to be the prairie land along the Red River of the North in the British North American possessions. This area stretches for 300 miles along the two great Saskatchewan rivers, and comprises at least 200,000,000 acres, which, within the coming five years, is estimated to add to the wheat production of	HALIFAX, Sept. 16.—A brick of gold brought to-day from Roselead, Montague, weighed 397 ouces, and is valued at \$7.600. It was the product of 14 men for a month. A letter from Queen's C unty, referring to the gold discoveries there, says the excite- ment is the part. No one outside of Queen's County the form any idea of the feeling that runs rampant in the minds of those who are
