THE CROPS IN ONTARIO AND QUEBEC .-The Grand Trunk Railway Company's harvest report for 1879 forms pleasant reading. Part of it refers to the results of farming operations along the company's line in

The Secret Key to Hyalth.—The Science benefit, yet harmless, howsoever long its use the United States, but it is chiefly taken up of Life, or Self-Preservation, 300 pages. Price \$1. with an account of the farming condition of things in the Quebec and Ontario districts things in the Quebec and Trunk road. The traversed by the Grand Trunk road. The traversed by the Grand Trunk road. The able. The most important crops are, in the able. The most important crops are, in the great majority of places named, quite above the average, and in many places simply splendid. The story runs—heavy hay crops over wide areas; winter wheat almost every-the 10th instant, by the Rev. K. McKay, Mr. and Genitals. where fair, and in numerous localities excellent in quality and averging between twenty-five and forty-five bushels per acre; oat crop good, yielding in some places fifty bushels an acre; barley productive over large areas; root crops promising; lesser crops encouraging; spring wheat returns not so good in some districts. Speaking generally, the harvest in the two Provinces is probably the On the 1th instant, at Benedicta, Maine, of On the 1th instant, at Benedicta, Maine, of Range of the State of the S

testimony that Hall's Hair Renewer renews, cleanses, brightens, invigorates and restores to its natural color and lustre, faded grey or discolored hair, cheaply, quickly and surely. The poorest people prefer to buy it and use it, rather than to proglaim in a manner more forcible than words can delineate, through blanched locks or grizzly heard, that they are aged and passing to the control of the powers and the sound in the sound grizzly beard, that they are aged and passing to decay. A very short trial will convince the most skeptical that it does eradicate the scalp diseases which rob the hair of its color and life.—Fort Scott (Kan.) Daily Monitor.

The best results are pleasantly accomplished by that benign invigorant, antiperiodic and promoter of digestion, appetite and sleep son of William and K. —Northrop & Lyman's Quinine Wine. The months and twelve days. laboratory of the chemist never yielded a more sulutary preparation, or one in which the ingredients are more completely harmon-ized. The feeble and nervous derive from it new strength; sufferers from dyspepsia and loss of appetite find that it not only enables loss of appetite find that it not only enables them to digest and assimilate properly, but imparts an unwonted relish for food. Invalids usually suffer from depression of mind. There is no better remedy for despondency, originated by ill-health, than this genial tonic Pure sherry and aromatic constituents of a phase description enhance its remedial value. choice description, enhance its remedial value and give it an agreeable flavor. It promotes convalescence following exhausting maladies stimulates and fertilizes the circulation, and increases the muscular power. Sleeplessness twitching of the muscles, trembling of the limbs, and other manifestations of nervous weakness, are speedily remedied by it. When taken during the absence of the fever, it is a remedy of sterling merit for bilious, remittent and intermittent fever. A wine-glase three or four times a day, will usually be found an ectual preventative of the return of the paroxysms. Intelligent observation and long experience determine the efficacy of this medicine, which has met with wide recognition, and won an unrivalled reputation.

250 TICKETS

TWENTY-FIVE CENTS. No absurd pretensions are put forth in regard to it; the statements in its behalf are plain, straightforward facts, susceptible of convincing proof. Though an advertised remedy, it is in no respect akin to the many cheap nostrums with which the market is flooded. Ask for "Quinine Wine, prepared by Mathrop & Lyman, Toronto. All drug-

constant supply of Magnetism, it subdues those

complaints, equalizes the Magnetic Current

balances the circulation, removes an spasmodic affections, and allays an Nervous Irritation.

affections, and allays an Nervous Irritation.

It is without a rival as a remedy, as it immediately supplies Magnetic Force to every part of the teeble and prostrate body. It is used with the most astonishing success from the start. As soon as its use is begun all aches and pains must disappear as rapidly as water quenches flame.

It is so penetrating that you get the benefit of every drop as soon as applied, so great is its power. It does not stay on the surface like a grease spot, but is absorbed by the powers and carried at once to the seat of disease, expelling the pain instantly.

It is the Greatest Pain Expeller

It is clean, safe and deilcious to use, and if you

use it will give perfect relief in all cases.

It is the cheapest and most valuable remedy

ever given to the world. Its worth is inesti-mable, and its price almost nothing. Use it and it will prove itself worth one hundred times its
