NOTICE.

Twenty years ago Denver was a small trading post on the frontier, now it is a large city, with numerous Churches, Hotels, Theaters, Street-railroads, Gas-works, Water-works, Gold and numerous Churches, Hotels, Theaters, Street-railroads, Gas-works, Water-works, Gold and Silver Smelting and Refining Works, with a United States Mint, and is the great Railroad Center of the West. There are seven First-class Railroads now running and connecting with all the Principal and Branch Railroads from Maine to California. It is the Capital of Colorado, naturally the richest State in the Union, and located in about the geographical center of the United States. The climate is charming, with the best water and purest air in the world, and the scenery is unexcelled for beauty and grandeur. It is surrounded by the richest Gold, Silver, Copper, Iron, Lead, and Coal Mines and Agricultural Lands in America. It is now the headquarters for Colorado, Kansas, Nebraska, New Mexico, Wyoming, Nevada, Arizona, and Northern Texas. The rich mineral and agricultural resources of this vast country will make Denver the largest and wealthiest city in the West.

WHY LOTS ARE CIVEN AWAY. As the tide of immigration is now in this direction, it is the Company's interest to have As the tide of immigration is now in this direction, it is the Company's interest to have people locate in Denver and on their property. To encourage emigration here, the Company will give to any one sending their name and address a warrantee deed, in fee simple, for one or more lots in North Denver, situated in Weld County, State of Colorado, in immediate view of this beautiful city, the only charge being one dollar to pay the Notary Public fees for acknowledging deed and conveyance. The Company does not give every lot away, but each alternate one, and does not expect that every person who gets a lot in North Denver will come here, but a great many will, and they will induce their friends to follow. The increased population will soon make this property very valuable, and this Company retain each alternate lot, which they hold at prices varying from \$25 to \$500, according to location. For this reason the above proposition is made. The deeds are unconditional, not requiring any one to settle or improve, but with full power to transfer and deed to others. The limit to any one person taking advantage of this offer is five lots. This property is not hill-side, mountain, or swamp, but is level, fertile, and has advantages for building upon too numerous to mention. Full and satisfactory information, with indorsements from our best citizens, will be furnished. CERTIFICATE OF TITLE.

I, W. C. SANDERS, County Clerk and Recorder within and for said County and State, do hereby certify to the above and foregoing to be true, and title complete to the land therein described according to the records in my office. I further certify there are no abstracts or transcripts of judgments, taxes or other leins standing against said land. In testimony whereof I have hereunto set my hand and affixed my official seal this 2d day of August, A. D. 1879. [SEAL.] State of Colorado, ss. INSTRUCTIONS. W. C.
