VEGETINE  
—WILL CURE—  
SCROFULA,  
SCROFULOUS HUMOR.  
VEGETINE will eradicate from the system every  
taint of scrofula and scrofulous humor. It has  
permanently cured thousands in Boston and vicinity  
who had been long and painful sufferers.  
CANCER, CANCEROUS HUMOR.  
The marvellous effect of VEGETINE in case of  
Cancer and Canceroous Humor challenges the most  
profound attention of the medical faculty, many of  
whose are prescribing VEGETINE to their patients.

CANKER.  
VEGETINE has never failed to cure the most in-  
flexible case of Canker.

MERCURIAL DISEASES.  
The VEGETINE meets with wonderful success in the  
cure of this class of diseases.

SALT RHEUM, SORE HEAD, &c., will cer-  
tainly yield to the great alterative effects of  
VEGETINE.

ERYSIPELAS.  
VEGETINE has never failed to cure the most in-  
flexible case of Erysipelas.

PIMPLES AND HUMORS ON  
THE FACE.  
Reasons should teach us that a blotchy, rough  
or pimply skin depends entirely upon an internal  
cause, and no outward application can ever  
cure the defect. VEGETINE is the great blood  
purifier.

TUMORS, ULCERS OR OLD  
SORES.  
Are caused by an impure state of the blood.  
Cleanse the blood of impurities with VEGETINE, and  
these complaints will disappear.

CATARH.  
For this complaint the only substantial benefit  
can be obtained through the blood. VEGETINE is  
the great blood purifier.

CONSTIPATION.  
VEGETINE does not act as a cathartic to de-  
plete the bowels, but cleanses all the organs, en-  
abling each to perform its functions devolving upon them.

PILES.  
VEGETINE has restored thousands to health who  
have been long and painful sufferers.

DYSPEPSIA.  
If VEGETINE is taken regularly, according to  
directions, a certain and speedy cure will follow its  
use.

FAINTNESS AT THE STOMACH.  
VEGETINE is not a stimulating bitter which  
creates a fictitious appetite, but a gentle tonic,  
which assists nature to restore the stomach to a  
healthy action.

GENERAL WEAKNESS.  
Vegetine acts directly upon the cause of these  
complaints. It invigorates and strengthens the  
whole system, sets upon the recalcitrant organs and  
allays inflammation.

GENERAL DEBILITY.  
In this complaint the good effects of the VEGETINE  
are realized immediately after commencing to  
take it; as debility denotes deficiency of the blood,  
and VEGETINE acts directly upon the blood.
