LACTO-PHOSPHATE OF LIME

This medicine can undoubtedly be used with BROWN WINDSOR, This medicine can undoubtedly be used with greater success than any other remedy now known, in cases of Consumption, Coughs, Colds, Hoarseness, Bronchitis, Scrofula. Chronic Rheumatism, General Debility, Wasting Diseases of Children and Adults, and whenever it is necessary to increase the vital forces and build up the system. Nearly every person that has taken any preparation of Cod-Liver-Oil, knows how very liable it ration of Cod-Liver-Oil, knows how very habie it is to disagree with them after a time; this is mainly due to the inability of the stomach (weakened by disease) to digest the full amount of the oil taken. To overcome this trouble we have added Panceratine to our Emulsion, which not only assists in digesting the oil, but is an acknowledged remedy of itself in the treatment of Consumption. In taking Mattison's Pancreatic Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, you receive the benefit of three of the best remedies known to science, in the treatment of any of the Garden's Drug Store,

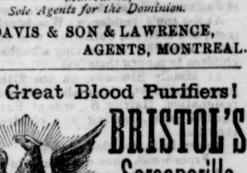

It is not a Patent Medicine, as we claim no secret in its composition, but every physician will be turnished with the formula by applying to our wholesale agent, H. PAXTON BAIRD, (Successor to W. T. Baird,) APOTHECARIES HALL, WOODSTOCK, N. B.
