SENTINEL Office, in Brick Building, directly opposite Post Office, up stairs

THERE was a fair attendance at St. Luke's be adopted in the Dominion Parliament. ing by the Rector, Rev. Thos. Neales, A.M., taken Blind Bartimeus," by Longfellow; then came an organ and violin duet, by Miss Fan- the people of Maine, is to adopt the system of regret, the fact that the fine residence, with ny Raymond and her brother Arthur.

The lecturer of the evening was Rev. R. M. nial elections. Edwards, M. A., Rector of Kingsclear, his subject, "Elements of Success." It is imcalculated to do much good. It was deliv- would be sufficiently served with the Legis- sioned in getting the steamer to where she ered without manuscript or notes, and elicit- lature meeting once in two years. With a could draw water from the creek, but once in ed the closest attention of his hearers. The smaller Legislature, numerically, with more position she rendered effective service. The lecturer began by contrasting the different kind of people one would meet in the great every advantage proving unsuccessful in life and vice versa. He then proceeded to speak my. of the different elements which conspired to create success. The first he touched was Nationality. He spoke in glowing terms of praise of the English nation, arguing that it was on account of its nationality that it held so important a position among the nations of the earth. He referred to the influ ence climate had upon one's character and

disposition. Perseverance was another in portant element of success; this was illusrated by reference to Demosthenes, who overcame a defect in his speech by speaking with pebbles in his mouth on the sea shore, and his awkwardness of manner by having a word so arranged that every time he brought p his shoulders in an awkward manner would prick him. He related the difficultie with which Lcrd Beaconsfield had to con end, but how through perseverance he ha ome to hold a high position in the kingdom is books being read in all parts of the vorld, and his speeches always commanding ttention. Referring to Mr. Moody, he statd that the first time that gentleman spoke vas at a Methodist meeting, when he made uch a mess of it that the minister requested. s a particular favor, that he would never

peak again in his church. Mr. Moody perevered, and although an ignorant man, his ermons were widely read and his name had ecome an household word, whilst the name f the minister who rebuked him was un nown, except in connection with this inci-

Another essential element of success was dustry; the college graduate, depending pon his present attainments, and discontinung his reading, would soon find that he knew ess than those attending the common schools. ystem in work was necessary, and the case the learned blacksmith, Elihu Burret, was ited, who gained the mastery of so many inguages by studying them while working the forge. Enterprise, coolness, physical trength, honesty, ambition, &c., as essential ements of success, were in turn referred to. ne speaker illustrating each point by notable xamples. We have not space to give more an this merest outline of a lecture which as full of good things, and which was loudapplauded at its close and several times

uring its delivery. lorus, by Mr. H. W. Bourne, "Mayour-

THE merchants of Canada are evidently reparing themselves for a considerable lange in the tariff, as there is unwonted acvity in the way of importing goods from ne United States. Large quantities are beg carried into St. John by special freight trains over the St. John and Maine railroad. argument.

A HIGH compliment was paid John Costia public dianer in his honor.

MAJ. ADD. WELCH reached here on Monday evening, and gave his first address to a crowd- which speak for themselves. It was intend- tho Westsrn Union Line :ed house, in the Reform Club Hall, on the ed that the presentation should have taken MR. EDITOR, - Several parties in Wood- evening of that day. MAJ. WELCH's meeting Thursday evening was the most enthusiastic one of the course. and his address was a remarkably powerfe and eloquent one. The attendance was very large, and many signatures to the pledge were secured. The Major speaks again, in the Institute, this, (Friday), Saturday, and Sunday evenings; meetings begin at 8 o'clock.

WE are requested to state that the Wood stock Women's Temperance Union intend giving an entertainment on Wednesday eve ning, 26th inst. The programme will consist of choice music, speeches, oysters served various styles, refreshments with coffee. Further particulars will be given in advertisement next week.

THE public temperance meeting, in the Reform Club Room, on Saturday evening was one of the best held there for some time past. Vice President Courser occupied the chair, and the speakers were Messrs. S. B. Appleby, Daniel Chandler, G. S. Holyoke and Rev. J. McG. McKay. The attendance was good, and the singing under the leadership of Mr. S. McLeod, Prof. Letts at the ing one, Mr. David McDonald. Mr. Richard organ, added interest to the occasion.

REV. C. H. Paisley and Messrs G. Holyoke and S. Watts were the speakers at the monthly Temperance meeting of the Methe monthly Temperance meeting of the Me-thodist Sabbath School, on Sabbath afternoon Friday, reached Temperance Vale on the evening last. The singing by the school, Mr. Letts handling the organ, was very good, while the speeches were brief, to the point, and at- where.

An alms-house in Louisville, Kentucky, containing 340 inmates, was recently de stroyed by fire, and several of the unfortunate paupers were burned fatally or received fatal injuries. These inmates were nearly all imbeciles, invalids and cripples, and the terribleness of the scene may be imagined as the flames leaped rapidly from floor to floor.

WASHINGTON LETTER. Washington, D. C., Feb. 8, 1879.

Below we publish an address and Reply THE following reaches us by telegram, over to \$50,000 for mileage and salary as Senator. when, all toid, he has not been in his seat as sucu above 30 days. I have no means at hand of verifying the correctness of these figures, or ascertaining how much of this statement is fact nor how much is exaggeration. But every observer at the Capitol last session and the first part of the present one. knows Sharon's seat was vacant while he was in successful pursuit of mammon in the gold mines of Nevada. But I am parsuaded that three hundred thousand dollars, was carried the whole history of American Congress from first to last will be ransacked in vain for a more aggravated case of "absenteeism" or for a more flagrant outrage than the payment fell, followed by a heavy rain storm, which of even the smaller sum would be on the tax Back pay steal is hardly a circumstance to it. and I am confident that it would require a degree of brazen assurance rare even among Congressmen to demand or consent to receive the money under the circumstances. If the It is worthy of mention, as a matter of national trait to instinctively oppose impo-Provincial interest and credit, that on Friday sition is not sufficiently developed to lead us Under your superintendence the interest last, at Messrs. Flemming's foundry, St. all to cry out with one accord against such a perversion of the spirit of the law as is im-John, a single casting was made weighing plied in the statement quoted, it would seem us to demand such legislation as will render such abuses hereafter impossible.

Senator Hindon's plan broached in Con-

gress some time ago for the purpose of pro-

viding houses for the freedmen where they can exercise the rights conferred by the amended Constitution without being subhands in unskilled labor we earnestly say, go somewhere, anywhere else, but by no me ans some of their represensalver as a slight acknowledgement of your salver as a slight acknowledgement of your has evidently secured the countenance of WE trust our correspondents will keep us many of the leading colored men throughout posted in reference to any matters of interest the country. Senator Bruce and Representatives Rainey and Smalls are reported to have accorded it their warm support, and pastor of every colored church in Washington and others of the race whose lead is implie itly followed, are said to be as earrestly in tavor of it. Reports of similar significance reach us from the more important cities of the South. And the friends of law and order will wish the plan success just to the extent that it is honestly intended and calculated to meet the real needs of the race. The movement seems to have awakened apprehensions among Southern politicians here who would be damagingly effected through the from which there should be any considerable exodus. But the gravest consequences of such a movement would fall on those sections which were deprived by it of their laborers. There is hardly an industrial interest througout the South, saying nothing of any others, that would not suffer by general desertion of the colored population; and in the face of such a menace it would seem wise on the part of the Southern statesmen to put themselves to work with a will and determination to remove any and every just cause of complaint Hall, Jacksonville, on Monday evening next, at on the part of the colored laborer. Without 7 P. M. The exercises will consist of Readings, negro laborers it would seem that the cotton. Music, and a lecture by Rev. Thos. Neales, on rice and cane fields of the South would be of
