THE GREAT BLOOD PURIFIER!

For Scrofula, Scurvy, Skin Disease, and Sores of all kinds, it is a never-failing remedy and permanent cure It cures Blackheads or pimples on the Face; cures Cancerous Ulcers; cures blood and Skin Diseases, clears the blood from all impure matter, from whatever cause it arises.

As this medicine is pleasant to the taste, and warranted free from anything injurious to the most delicate constitution of either sex, the proprietors solicit sufferers to give it a trial to test its value.

GOLDEN ELIXIR.

As the Blood is the source from which our systems are built up, and from which we derive our mental as well as physical capabilities, how important it is that it should be kept pure. If it contains vile festering poisons, all organic functions are weakened, thereby settling upon important organs, as the Lungs Liver or Kidneys The effect is most disastrous. Therefore it becomes every one to keep their blood in a perfectly healthy condition, and more especially in the Spring and Fall of the year. No matter what the existing cause might be, the real cause of a large proportion of all diseases is *Bad Blood*

GOLDEN ELIXIR,

Skin Diseases, Eruptions, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scaldheads. Sore Eyes, Erysipelas Scurfs, Discolorations of the Skin, Humors, and diseases of whatever name or nature, are literally carried out of the system in a short time by the use of this GREAT BLOOD PURIFIER.

IMPORTANT ADVICE TO ALL.—Cleanse the Blood whenever you find its impurities bursting through the skin in pimples Eruptions and sores.

Keep your blood pure and the health of the system will follow.

Scribner's Monthly.

So great has been the demand for recent numbers of this magazine that the monthly circulation has increased more than 20,000 copies within the year, and the edition for November, 100,000, was exhausted within two weeks after issue The English edition has recently doubled, and the magazine has everywhere taken its place as the most handsomely illustrated popular periodical published in the English language. Every number contains 160 pages of contributions from the best American authors, and from 50 to 100 wood engravings. The publishers call attention to the following

ANNOUNCEMENTS FOR 1880.

THE REIGN OF PETER THE GREAT, by Eugene Schuyler, will begin in an early number, and continue through two years. It will be a work of great historical significance and of rare graphic and dramatic interest. Bureaus of illustration have been established in Paris and St. Petersburg, especially for the execution of the pictorial part of this enterprise—an enterprise involving a greater outlay than any previously undertaken by a popular magazine.

THREE SERIALS IN SCRIBNER'S MONTHLY BY AMERICAN WRITERS.—The Grandissimes, a story of New Orleans Creole life, by George W. Cable, author of "Old Creole Days." "Louisiana," a new novelette of American Life, by Francis H. Burnett, author of "That Lass o'Lowrie's." Confidence, by Henry James, Jr., begun in the Midsummer Holiday (August) number.

CANADA PICTURESQUE.—A number of papers by Principal Grant, of McGill University, Kingston, and W. G. Beers and Chas Farnham, are in course of preparation for Scribner's, which will give thorough accounts of the historical, political, picturesque, and other phases of the country.

PAPERS ON ART.—The growth of art has made it necessary for the modern magazine to devote considerable attention to this subject, and in this respect SCRIBNER'S MONTHLY will continue to occupy the leading place, both in the judicious selection and in the artistic execution of the subjects chosen.

POETS AND POETRY.—Edmund Clarence Stedman will contribute to SCRIBNER'S MONTHLY during the coming year criticasl essays on this subject, including the beginnings of the poetic art in this country, and its subsequent history. Richard Henry Stoddard will furnish studies of subjects connected with English poetry, the first paper being on "The English Sonnet.

SAUNTERINGS WITH DICKENS.—A number of unique papers to be contributed to SCRIBNER by Alfred Rimmer, Esq., of Chester, England. For the illustration of these, Mr. Charles A. Vanderhoof has been sent on a special trip to England.

PRACTICAL PAPERS ON HOME SUBJECTS.—This class will include a number of finely illustrated papers on "Small Fruits and their Culture," by Rev. E. P. Roe, of Cornwall, N. Y., one of the most successful of horticulturists. Papers on "Church and Home Architecture" will be contributed by Russell Sturgis, Esq.

SPORTS AND RECREATIONS.—In addition to an illustrated account of the recent excursion of the Tile Club in a canal boat, there will be a number of special papers during the year, upon odd personal experiences, such as Porpoise-Shooting, Walrus Hunting, Lobster-Fishing, Canoeing in the Rapids of the Hudson, and several papers of a novel character

OTHER FEATURES OF SCRIBNER.—"Extracts from the Journals of Henry J. Raymond," edited by his son, H. W. Raymond; Accounts of the South Pass Jetties, American Arms and Ammunition in Europe, The U. S. Coast Life Saving Service, etc., etc. Sketches of Louisiana Life and Scenery, New-York City and Vicinity, American Life in Florence, Kansas Farming, California Mountain Sheep and Forest (by John Muir.) House-hunting in Paris, Sheep Ranching in the West, and many other interesting subjects. And there will be the usual variety of essays, poems, and short stories.

Price, 35 cents a number, $4 00 a year. For sale and subscriptions received by all Booksellers; Newsdealers and Postmasters, or sent post-paid by the publishers on receipt of price.

ST. NICHOLAS,

SCRIBNER'S ILLUSTRATED MAGAZINE

For Girls and Boys.

John Greenleaf Whittier writes of ST. NICHOLAS: "It is little to say of this magazine that it is the best child's periodical in the world." That it is calculated to delight the little folk everywhere is indicated by the fact that it is to be issued in French by Delagrave of Paris, and that even the far away little Moslems are now to have a volume made up of translations from ST NICHOLAS into Arabic.

Beginning with the November number, this monthly magazine for children is printed on heavier paper with wider margins, and is so much enlarged that each number contains eighty or more pages, with stories, poems, illustrated articles of travel and description, pictures, rhymes, jingles, etc.; pages of large type for the very little ones, and a riddle box for the amusement of the whole family. For the coming year the publishers announce many brilliant novelties, including

A NEW SERIAL BY MISS LOUISA M. ALCOTT, entitled "Jack and Jill." It is written in this favorite author's best vein, and will begin in the Christmas (December) issue. There will be a series of Open-Air Papers, by various authors, devoted to descriptions of out-door life and incidents in many lands; and a new department "The Treasure-Box of English Literature," in which will be given gems from standard authors.

A NEW SERIAL STORY FOR BOYS, "Among the Lakes," by the author of "Dab Kinzer," began in the November number.

Another splendid serial for boys has been secured for this volume—"The Fairport Nine," a story of a base-ball club, by Noah Brooks

THE WONDERFUL

CHRISTMAS NUMBER

(Ready Dec. 1st) is the largest and most beautiful issue of any magazine for girls and boys ever published, containing over one hundred pages and ninety-five pictures.

Among other attractions it will contain TWELVE SHORT STORIES by J. T Trowbridge, Washington Gladden, J. W. DeForest, Maurice Thompson, Sarah Winter Kellogg, and others.

JOHN GREENLEAF WHITTIER contributes a long poem, while Lucy Larcom and Mary Mapes Dodge are also represented in verse. There is A Christmas Play for Festivals, by Edward Eggleston; an illustrated art-paper on Thorvaldsen and an account, with twelve pictures, of the life and doings of New-York Telegraph Boys.

Gustave Dore, Knaus, Mary Hallock Foote, Kelly, Dielman, Bensell, Sheppard, Eytinge, Jessie Curtis and Addie Ledyard are among the artists whose labor has helped to make beautiful this number of

"THE WORLD'S CHILD MAGAZINE."

Buy it and see what St. Nicholas really is.

For sale by all book and news dealers, or it will be sent post-paid by the publishers on receipt of price; 25 cents a number; $3 00 a year.

JOY FOR THE SUFFERING!

The **French Magnetic Oil** will allay all pain, soreness, and reduce swellings in a much shorter time than can possibly be effected by any other means of cure. It will be sure to relieve where all others fail. Although it has such mighty power to do good, no injury can result from exposure while using it.

The sufferer will also be less liable to a second attack when cured by this remedy than by any other application, as it supplies the life-giving principle, **Magnetism**, to the system, and thereby gives it the power of resisting disease in all its forms.

The **Magnetic Oil**, by restoring lost **Magnetism** becomes the specific remedy for all aches and pains. So certain are its cures that IN NO CASE DOES IT FAIL OF DOING GOOD, as it possesses a power unequalled by any other agent known to the Medical Faculty.

The **Magnetic Oil** is a pain killer in the most extensive signification of that phrase. It does not deaden pain by producing a greater by its use, but it has a specific power of removing the cause. If the **Magnetic** or **Life Power** was restored there would be no pain. The **Magnetic Oil** is simply united that it immediately supplies the lost **magnetism**, and, by giving what is the [illegible] affected parts to their [illegible]

CONSUMPTION

CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil** with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of those two most valuable specifics, in a form *perfectly palatable*, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anæmia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See what Physicians and the People say about it.

MESSRS. SCOTT & BOWNE; 68 West Thirty-sixth Street, New York, Sept. 2, 1876.

GENTS—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases
