> Messrs. Scott & Bowne:—Gentlemen—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and tound it a most valuable preparation especially in discasses of children. It is constant to the constant of the consta consumptive and scrofulous cases.

Messrs. Scott & Bowne:- Gentlemen-With the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest prepa ration of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a pertectly elegant and agreeable form.

December 10th, 1878. MESSES. SCOTT & BOWNE: - Gentlemen-In September, 1877, my health began to fail and my physician pronounced it spinal troubie; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs. night sweats. short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my triends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the tollowing results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year more, then got a dozen and says it is food and medicine for him. He was given up to die a year in cases of Consumption, Coughs, Colds, Hoarse-got, but he is improving new wonderfully. My recovery is exciting the surprise of many people. ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

> phosphites and found it a most valuable preparation, especially in diseases of children. It is agree able to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in A. H. SAXTON, M. D., Baltimore.

About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prestrated that no one who saw me thought I could live but a few days at most. I could retain nothing on is to disagree with them after a time; this is mainmy stomach and was literally starving. I commenced the use of the Emulsion in small doses; it ly due to the inability of the stomach (weakened was the first thing that would stay on my stomach: I continued its use, gradually increasing the by disease) to digest the full amount of the oil dose; and fro n that hour I commenced mending, and now am able to ride and walk and am gain- taken. To overcome this trouble we have added ing flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully yours.
