My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the tollowing results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks I have taken no other medicine since commencing with your Emalsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. MATTISON'S Pancreatic Emulsion of Cod Liver Oil

LACTO-PHOSPHATE OF LIME

This medicine can undoubtedly be used with greater success than any other remedy now known, in cases of Consumption, Coughs, Colds, Hoarseness, Bronchitis, Scrotula, Chronic Rheumatism, General Debility, Wasting Diseases of Children and Adults, and whenever it is necessary to increase the vital forces and build up the system. Nearly every person that has taken any preparation of Cod-Liver-Oil, knows how very liable it is to disagree with them after a time; this is mainly due to the inability of the stomach (weakened by disease) to digest the full amount of the oil No 7, Connell's Brick Block, Main Street. taken. To overcome this trouble we have added Panceratine to our Emulsion, which not only assists in digesting the oil, but is an acknowledged remedy of itself in the treatment of Consumption. In taking Mattison's Pancreatic Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, you receive the benefit of three of the best remedies known to science, in the treatment of any of the

above diseases.

It is not a Patent Medicine, as we claim no secret in its composition, but every physician will be turnished with the formula by applying to our wholesale agent,
