IMPORTANT NOTICE.

THE Singer Manufacturing Co. have established an Agency in Woodstock, where their world-renowned Singer Sewing Machines, for Family and Manufacturing purposes, can be had at greatly reduced prices and on easy terms.

Positive Proofs that the SINGER is Superior to all other Sewing Machines.

1. It has taken the first prize over all other machines more than 200 times.

2. Companies have sprung up in nearly every part of the world, for making an "Imitation Singer Machine." Why are not similar companies formed for making imitations of other Sewing Machines? The public will draw its own inference. Gold is continually counterfeited; Brass and Tin never.

3. After the Chicago fire, the Relief Committee undertook to furnish Sewing Machines to the needy women of that city. Applicants were permitted to choose from six different kinds of machines. 2944 applicants were furnished with machines. 2427 chose Singer Machines and 517 distributed their choice among the five other kinds of machines! These girls were to earn their living on these machines. Why did they choose Singers? Our experience was the same after the late great fire in the City of Saint John.

4. Over two millions of Singer Machines have been sold during the past nine years.

5. The year 1878 was a year of unexampled depression in business, yet we sold more machines than in either of the 25 years we have been in business.

6. Three-quarters of all the Sewing Machines sold in 1878 throughout the world were Singers.

Remember these are not our claims, they are facts shewing what other people think of the Singer.

For Durability and simplicity the Singer excels all other Machines.

We have Branch Offices in every part of the known world. Our principal office is at 34 Union Square, New York.

CAUTION.—A large number of people having, from time to time, been betrayed into buying imitations of our Machines, from parties representing same as Genuine Singers, we hereby respectfully notify the public, that our Machines can be obtained only through our regularly appointed Agents coming from the above address. As a further preventive against such deception we would also beg to intimate that all our Machines have our trade mark on the arm and any Machine without the trade mark is not genuine.

For further information apply to E. J. Clark Dry Goods Merchant, or

W. V. SEGEE, Agent Singer Manufacturing Co.

Saint John and Maine RAILWAY COMPANY.

AS an impression prevails in Woodstock and other parts that satisfactory freight rates cannot be made by this Road for business via McAdam Junction, between Woodstock and Saint John, the undersigned beg to publish the following so that the exact facts may be known to the public:

St. Stephen, N. B., May 12th, 1879.

MY DEAR SIR,—We have decided to discontinue the present through rates between Woodstock and St. John, and in future to charge on all St. John Freight the following rates between McAdam and Woodstock:

First Class,	$4 00 per ton.
Second Class,	3 50 "
Third "	2 60 "
Fourth "	2 00 "

Please notify your St. John Station Agent.

I remain, yours truly,

HENRY OSBURN.

J. MURRAY KAY, Esq., Manager St. John and Maine R R. Co., St. John.

By this it will be seen that the N. B. & Canada Road is responsible for cancelling the "through billing" between the points named.

By this it will also be seen that business was practically *prohibited* via McAdam, owing to the excessive rates named in the above letter, unless the St. John & Maine Railway Co. were contented to carry freight at a loss; or in other words, carry freight for 86 miles at from 20 to 50 per cent. less than the N. B. & C. carried for 51 miles. The public can judge of the fairness of the N. B. & C.'s policy to it and this Company.

As the Tariff mentioned in the above letter is still maintained by the N. B. & Canada Railway, the St. John & Maine Railway Co., to show its disposition will, until further notice, carry Woodstock freight between McAdam and Carleton at the following rates:

MERCHANDISE, per 100 pounds.—First Class, 16 cents; Second Class, 14 cents; Third Class, 12 cents; Fourth Class, 10 cents.
Flour, Pork, Molasses, in Car Loads, per Car, $10.00.
Lumber, in Car Loads of 20,000 lbs., per Car, $12.50.
Lime, Iron, Coal, Stone, in Car Loads of 20,000 lbs., per Car, $12.50.
Live Stock, in Car Loads of 20,000 lbs., per Car, $12.50.
Mixed Goods, to one address, in Car Loads of 20,000 lbs., per 100 lbs., 10 cents.
Oats in Car Loads of 500 bushels, and Hay per Car, $10.00.

Which will make the through Rates between Woodstock and Carleton as follows:

First Class,	36 cents.	Third Class,	25 cents.
Second "	31½ "	Fourth "	20 "

Trusting to have a fair share of the business.

Miscellaneous.

THE BALD-HEADED MAN.—The other day a lady, accompanied by her son, a very small boy, boarded a train at Little Rock. The woman had a care-worn expression hanging over her face like a tattered veil, and many of the rapid questions asked by the boy were answered by unconscious sighs.

'Ma,' said the boy, 'that man's like a baby; ain't he?' pointing to a bald-headed man sitting just in front of them.

'Hush.'

'Why must I hush?'

After a few moment's silence: 'Ma what's the matter with that man's head?'

'Hush, I tell you. He's bald.'

'What's bald?'

'His head hasn't got any hair on it.'

'Did it come off?'

'I guess so.'

'Will mine come off?'

'Sometime, maybe.'

'Then I'll be bald, won't I?'

'Yes.'

'Will you care?'

'Don't ask me so many questions.'

'After another silence the boy exclaimed: 'Ma, look at the fly on the man,s head.' 'If you don't hush, I'll whip you when we get home.'

'Look! There's another fly. Look at 'em fight; look at 'em!'

'Madame,' said the man, putting aside a newspaper and looking around.—'What's the matter with the young hyena?'

The woman blushed, stammered out something, and attempted to smooth back the boy's hair.

'One fly, two flies, three flies,' said the boy innocently, following with his eyes a basket of oranges carried by the newsboy.

'Here, you young hedge-hog,' said the bald-headed man, "if you dont hush I'll have the conductor put you off the train.'

The poor woman, not knowing what else to do, boxed the boy's ears and then gave him an orange to keep him from crying.

'Ma, have I got red marks on my head?'

'I'll slap you again if you don t hush.'

'Mister,' said the boy after a short silence,' does it hurt to be bald-headed?'

'Youngster,' said the man, 'if you'll keep quiet I'll give you a quarter.'

The boy promised, and the money was paid over.

The man took up his paper and resumed his reading.

'This is my bald-headed money,' resumed the boy. 'When I get bald-headed I'm going to give boys money. Mister, have all bald-headed men got money?'

The annoyed man threw down his paper, arose and exclaimed: 'Madame, hereafter when you travel leave that young gorilla at home. Hitherto I always thought that the old prophet was very cruel for calling the she bears to kill children for making sport of his head, but now I am forced to believe that he did a Christian act. If your boy had been in the crowd he would have died first. If I can't find another seat on this train I'll ride on the cowcatcher rather than remain here.'

'The bald-headed man is gone,' said the boy, and the woman leaned back and blew a tired sigh from her lips.—*American Grocer.*

These days no one is safe from the charge of plagiarism. B. went to church last Sunday (a thing unusual) and, upon being asked his opinion of the clergyman, said, 'Oh, his sermon was very good; but the prayer beginning with 'Our Father,' I think he stole it entire. I know I have heard something that it was strangely like.'

Toddlekins is a very small man indeed, but he said he never minded it at all until his three boys grew up to be tall, strapping young fellows and his wife began to cut down their old clothes to fit him. And then he said he did get mad.

A man calls a puppy after him by whistling, but a girl only has to wink at one.

SUBSTITUTES!

☞ The public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of Pain-Killer, they suddenly discover that they are "sold out," "but have another article just as good, if not better," which they will supply at the same price. The object of this deception is transparent. These substitutes are made up to sell on the great reputation of the Pain-Killer; and being compounded of the vilest and cheapest dregs, are bought by the dealer at about half what he pays for the genuine Pain-Killer, which enables him then to realize a few cents more profit per bottle upon the imitation article than he can on the genuine.

FOR CHOLERA MORBUS, CRAMPS, AND ALL SUMMER OR BOWEL COMPLAINTS

PERRY DAVIS' PAIN-KILLER

IS UNEQUALLED.

IT CURES ALMOST INSTANTLY.

The PAIN-KILLER is put up in 2 oz. and 3 oz. bottles retailing at 25 and 50 cents respectively,—large bottles are therefore cheapest.

CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil** with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form *perfectly palatable*, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See what Physicians and the People say about it.

MESSRS. SCOTT & BOWNE: 66 West Thirty-sixth Street, New York, Sept. 2, 1876.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious. C. C. LOCKWOOD, M. D.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.

Oct. 12, 1879. Yours respectfully, A. H. SAXTON, M. D., Baltimore.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—With the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form. Very truly, J. SIMONAUD, M. D., New Orleans, La.

December 10th, 1878.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Jan. 20th, 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

MESSRS. SCOTT & BOWNE: LYNN, Randolph Co., Ind., July 2nd, 1878.

About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I am gratefully yours,
