

FOR THE CARLETON SENTINEL.
A VISIT TO POQUICK GOLD MINE.
Woodstock, Sept. 10, 1880.
In company with some of the stockholders, I visited the above mentioned mine, and at the request of Jas. Ross, M.D., proprietor of the mine, I washed three pans of dirt, and to my own satisfaction and that of the rest of the party found gold in quite a quantity—to the value of ten or twelve cents to the pan at least. I considered a good prospect in any country. One charge of powder threw out a quantity of rock from the mine, which I procured some of the sand in which we found the gold. I examined the mine and from the prospects, would judge the mine to be rich.

JOHN G. VANWART.
We, the undersigned, visited the mine owned by Jas. Ross, M.D., at Poquick, York Co., N. B., and after minute examination fully concur with the statements of Mr. John G. Vanwart.
