IMPORTANT NOTICE.

THE Singer Manufacturing Co. have established an Agency in Woodstock, where their world-renowned Singer Sewing Machines, for Family and Manufacturing purposes, can be had at greatly reduced prices and on easy terms.

Positive Proofs that the SINGER is Superior to all other Sewing Machines.

1. It has taken the first prize over all other machines more than 200 times.

2. Companies have sprung up in nearly every part of the world, for making an "Imitation Singer Machine." Why are not similar companies formed for making imitations of other Sewing Machines? The public will draw its own inference. Gold is continually counterfeited; Brass and Tin never.

3. After the Chicago fire, the Relief Committee undertook to furnish Sewing Machines to the needy women of that city. Applicants were permitted to choose from six different kinds of machines. 2944 applicants were furnished with machines. 2427 chose Singer Machines and 517 distributed their choice among the five other kinds of machines! These girls were to earn their living on these machines. Why did they choose Singers? Our experience was the same after the late great fire in the City of Saint John.

4. Over two millions of Singer Machines have been sold during the past nine years.

5. The year 1878 was a year of unexampled depression in business, yet we sold more machines than in either of the 25 years we have been in business.

6. Three-quarters of all the Sewing Machines sold in 1878 throughout the world were Singers.

Remember these are not our claims, they are facts shewing what other people think of the Singer.

For Durability and simplicity the Singer excels all other Machines.

We have Branch Offices in every part of the known world. Our principal office is at 34 Union Square, New York.

CAUTION.—A large number of people having, from time to time, been betrayed into buying imitations of our Machines, from parties representing same as Genuine Singers, we hereby respectfully notify the public, that our Machines can be obtained only through our regularly appointed Agents coming from the above address. As a further preventive against such deception we would also beg to intimate that all our Machines have our trade mark on the arm and any Machine without the trade mark is not genuine.

For further information apply to E. J. Clark Dry Goods Merchant, or

Saint John and Maine RAILWAY COMPANY.

AS an impression prevails in Woodstock and other parts that satisfactory freight rates cannot be made by this Road for business via McAdam Junction, between Woodstock and Saint John, the undersigned beg to publish the following so that the exact facts may be known to the public:

St. Stephen, N. B., May 12th, 1879.

MY DEAR SIR,—We have decided to discontinue the present through rates between Woodstock and St. John, and in future to charge on all St. John Freight the following rates between McAdam and Woodstock:

First Class,	$4 00	per ton.
Second Class,	3 50	"
Third "	2 60	"
Fourth "	2 00	"

Please notify your St. John Station Agent.

I remain, yours truly,

HENRY OSBURN.

J. MURRAY KAY, Esq., Manager St. John and Maine R. R. Co., St. John.

By this it will be seen that the N. B. & Canada Road is responsible for cancelling the "through billing" between the points named.

By this it will also be seen that business was practically *prohibited* via McAdam, owing to the excessive rates named in the above letter, unless the St. John & Maine Railway Co. were contented to carry freight at a loss; or in other words, carry freight for **86 miles** at from 20 to 50 per cent. less than the N. B. & C. carried for **51 miles.** The public can judge of the fairness of the N. B. & C.'s policy to it and this Company.

As the Tariff mentioned in the above letter is still maintained by the N. B. & Canada Railway, the St. John & Maine Railway Co., to show *its* disposition will, until further notice, carry Woodstock freight between McAdam and Carleton at the following rates:

MERCHANDISE, per 100 pounds.—First Class, 16 cents; Second Class, 14 cents; Third Class, 12 cents; Fourth Class, 10 cents.
Flour, Pork, Molasses, in Car Loads, per Car, $10.00.
Lumber, in Car Loads of 20,000 lbs., per Car, $12.50.
Lime, Iron, Coal, Stone, in Car Loads of 20,000 lbs., per Car, $12 50.
Live Stock, in Car Loads of 20,000 lbs., per Car, $12.50.
Mixed Goods, to one address, in Car Loads of 20,000 lbs., per 100 lbs., 10 cents.
Oats in Car Loads of 500 bushels, and Hay per Car, $10.00.

Which will make the through Rates between Woodstock and Carleton as follows:

First Class,	36 cents.	Third Class,	25 cents.
Second "	31½ "	Fourth "	20 "

Trusting to have a fair share of the business.

H. D. McLEOD, Superintendant.

Miscellaneous.

WANTED TO SEE THE EDITOR.—A man on the cars was offered a newspaper.—He took it, looked at the heading, and then threw it aside with disgust and remarked:

"I don't want news from that paper."

"I supposed everybody read it in these parts," I answered. "Has it been pitching into you?"

"Pitching into me? Great Cæsar! I should think it had. But you just let me meet the editor of that paper."

"You never make anything by striking an editor," I said; "better grin and bear it."

"Yes, that's all right for you to say, but just let me meet that man! I'll show him how to run a newspaper."

"What did he do?"

"Do! He did a deal. Here's how it is: I often go to Springfield in the evening and come home on the first train in the morning. Well, one night I met an old crony and we went to the music hall and the theatre. When we came out we met some friends. Of course I could not get right out, so I treated; in fact, we were having a pretty good time, when some fellow came in and tried to raise a row. In less than no time the police were in and had us. The next morning I was hauled before the court and fined $7.40. I did not care much, because I gave a false name, and I knew my wife couldn't find it out; but the very next morning I'll be eternally confused if that paper didn't have it all in, and my name too."

"Did your wife see it?"

"I should say she did."

"Did she make a fuss?"

"Fuss! Godfrey Elihu! Are you married?"

GETTING THEIR CLOTHES MIXED.—Mark Twain tells how a party of tourists got wet, and what they did when they came back to the hotel:—"We stripped and went to bed, and sent our clothes down to be baked; all the horde of soaked tourists did the same. The clothes all got mixed in the kitchen, and there were consequences. I did not get back the same drawers I sent down, when our things came up at 6.15; I got a pair on the new plan. They were merely a pair of white ruffled, cuffed sleeves, hitched together at the top with a narrow band, and they did not come down to my knees. They were pretty enough, but they made me feel like two people, and disconnected at that. The man must have been an idiot to get himself up like that to rough it in the Swiss mountains. The shirt they brought me was shorter than the drawers and hadn't any sleeves to it—at least it hadn't any more than Mr. Darwin would call rudimentary sleeves; these had edging around them; and the bosom was ridiculously plain.—The knit silk undershirt they brought me was on a new plan, and was really a sensible thing; it opened behind and had pockets in it for the shoulder blades; but they did not seem to fit me, so I found it a sort of uncomfortable garment.—They gave my bob-tail coat to somebody else, and sent me an ulster suitable for a giraffe. I had to tie my collar on, because there was no button on the foolish shirt which I described a little while ago."

MUSCULAR CHRISTIANITY.—Sometime since the relations between pastor and congregation in a certain colored church in Michigan became so inharmonious that it became necessary to bounce one party or other. At a church meeting the preacher was called a liar, and in return he upset a deacon with a blow on the jaw. It was decided to submit the case to Brother Gardner in the following form:

"Sposen you was a preacher of de gospil, an' de leadin' elder of your church called you a liar? Would you hit him or forgib him?"

"If dey wants my opinion on dat case it can soon be given," said the old man, as he rose up. "If I war a preacher of de gospel an' de leadin' elder, or any odder elder, called me a liah, an' he was in dead airnest, I'd light down on him like an' elefant rolling ober a lamb!—Yes, I would, an' den I'd ax him if he had any friends who wanted to see me wid my coat off an' my muscles worked up. I doan' go a cent on de man who gits such a fill of religion dat folks can made a foot-ball ob him."

It was a colored preacher who said to his flock: "We have a collection to make this morning, and for the glory of heaven, which ever of you stole Mr. Jones' turkeys, don't put anything on the plate." One who was there says:—"Every blessed niggah in the church came down wid de rocks."

SUBSTITUTES!

☞ The public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of **Pain-Killer**, they suddenly discover that they are "sold out," "but have another article just as good, if not better," which they will supply at the same price. The object of this discussion is transparent. These substitutes are made up to sell on the great reputation of the Pain-Killer; and being compounded of the vilest and cheapest drugs, are bought by the dealer at about half what he pays for the genuine Pain-Killer, which enables him thereby to realize a few cents more profit per bottle upon the imitation article than he can on the genuine.

FOR CHOLERA MORBUS, CRAMPS, AND ALL SUMMER OR BOWEL COMPLAINTS PERRY DAVIS' PAIN-KILLER IS UNEQUALLED.

IT CURES ALMOST INSTANTLY.

The PAIN-KILLER is put up in 2 oz. and 5 oz. bottles, retailing at 25 and 50 cents respectively,—large bottles are therefore cheapest.

CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil** with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form *perfectly palatable*, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anæmia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See what Physicians and the People say about it.

MESSRS. SCOTT & BOWNE: 66 West Thirty-sixth Street, New York, Sept. 2, 1876.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious. C. C. LOCKWOOD, M. D.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.

Oct. 12, 1879. Yours respectfully, A. H. SAXTON, M. D., Baltimore.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—With the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form. Very truly, J. SIMONAUD, M. D., New Orleans, La.

December 10th, 1878.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Jan. 20th, 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

LYNN, Randolph Co., Ind., July 2nd, 1878.

MESSRS. SCOTT & BOWNE:

About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I am gratefully yours,
