MUTUAL BENEFIT LIFE CO.  
Gentlemen:—I have this day received your check for the full amount of my claim against your Company, \$2,000, on account of my wife's policy. I thank you for the honorable and satisfactory manner in which you have settled this loss, and also the pleasure in recommending your Company and its peculiar plan to the patrons of the Mutual Benefit Life Co. I am, Sir, very truly,  
Yours truly,  
BURR SMITH.  
The above amount cost Mr. Smith only \$20.00. What Company can furnish a like amount of insurance at a cost equally small?  
The Mutual Plan was organized in September, 1877, since which time there have been only assessments up to the present time (June, 1880), of 40 cents per thousand; other agencies in proportion. The plan is equitable, safe and cheap.  
The widow of the late Rev. J. A. Stevens, of Fredericton, has received \$2,000 on the death of her husband who was insured in the Mutual Benefit Life Co. This amount was paid about two months before it was due.  
The business done by this Company is steadily increasing; during the month of April over 1000 certificates were issued from the two departments. A number of 40 who pay an average case in the Safety Fund Department will pay about 20 cents at the present time on a \$1,000 loan.  
This insurance, on account of its cheapness, is brought within reach of the most limited circumstances.  
For certificate or agency apply to  
D. S. JONES, Bristol, N. B.,  
Special Agent.  
Bristol, June 1st, A. D. 1880—4p-23.

MUTUAL BENEFIT LIFE CO.  
Gentlemen:—I have this day received your check for the full amount of my claim against your Company, \$2,000, on account of my wife's policy. I thank you for the honorable and satisfactory manner in which you have settled this loss, and also the pleasure in recommending your Company and its peculiar plan to the patrons of the Mutual Benefit Life Co. I am, Sir, very truly,  
Yours truly,  
BURR SMITH.  
The above amount cost Mr. Smith only \$20.00. What Company can furnish a like amount of insurance at a cost equally small?  
The Mutual Plan was organized in September, 1877, since which time there have been only assessments up to the present time (June, 1880), of 40 cents per thousand; other agencies in proportion. The plan is equitable, safe and cheap.  
The widow of the late Rev. J. A. Stevens, of Fredericton, has received \$2,000 on the death of her husband who was insured in the Mutual Benefit Life Co. This amount was paid about two months before it was due.  
The business done by this Company is steadily increasing; during the month of April over 1000 certificates were issued from the two departments. A number of 40 who pay an average case in the Safety Fund Department will pay about 20 cents at the present time on a \$1,000 loan.  
This insurance, on account of its cheapness, is brought within reach of the most limited circumstances.  
For certificate or agency apply to  
D. S. JONES, Bristol, N. B.,  
Special Agent.  
Bristol, June 1st, A. D. 1880—4p-23.
