IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD. A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with HYPOPHOSPHITES OF LIME AND SODA will accome plish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. Messrs. Scott & Bowne:—Gentlemen—With the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other
