any relief, until I tried Dr. Thomas' Eclectric At the Dominion Rifle Association meeting Oil, and since then have had no attack of it. on Wednesday, a resolution of thanks to the I would recommend it to all."___J. H. Earl, Governor General was adopted. The Mar- Hotel Keeper, West Shefford, P. Q., writes, quis of Lorne in reply said that his annual "I have been troubled with liver complaint gift should be increased from \$50 sterling to for several years, and have tried diff-rent £100 sterling, to be given in the name of the medicines with little or no benefit, until I Princess and himself to be devoted in prizes for competition, with the limitation that back position. Mr. Domville moved a vote of thanks to Mr. Masson, late Minister of Militin for his description of thanks to Mr. Masson, late Minister of Militin for his description of the late of th of thanks to Mr. Masson, late Minister of Militia, for his donation of \$200. Col. Gzowski was re-elected President; Col. Gilmore, Vice-President for Ontario; Col. Masson for Quebec; Col. Bostford for New Son for Quebec; Col. Bostford for New the public, fone of the best medicines they Brunswick; Col. McKinlay for Nova Scotia; the public, 'one of the best medicines they Dr. Schultz for Manitoba; S-nator McDonald have ever used; it has done wonders in healfor Birish Columbia; Col. Haythorne for ing and relieving pain, sore throat, etc., and lity. Prince Ed. Island. The members of Coun- is worthy of the greatest confidence." cil for New Brunswick are Capt. Tiltor, Major Domville, Capt. Perley, Col. Beer, Oil for a lame knee which troubled me for Col. Peters, Capt. Coster. At the close of Col. Capt. Coster. At the close of Col. Capt. Coster. At the close of Col. Capt. Capt. Coster. At the close of Col. Capt. the proc-edings Col. Gzowski, by request of three years, and I never found anything like physical exertion produces cheerfulness, gives Col. Peters, presented the address and jewel it for curing lameness. It is a public benefit." presented by the N. B. Rifle Association to Capt. Tilten, who made a happy reply.

names of Northrop & Lyman are blown AFTER MANY YEARS .- Yesterday, Mrs. main a few days with her cou-in, Mrs. Har-riet Dr. w. the concernist. The ladies had not seen each other since they were school the Dominion. gir's at Eastport, Maine, away back in 1863, and neither knew the other to be residing in the west until quite recently, when Mrs. City Journal, and there saw mention of Mrs. Drew, in connection with a musical entertainment. Knowing her cousin's ability as a honous Remody. After mine the Shos-Tomlinson picked up a stray copy of the Sioux ment. Knowing her cousin's ability as a musician, Mrs. T. surmised, and rightly, that the Mrs. Drew mentioned, and her lorg-lost cousin, were one and the same, and she indited a note to the lady making inquiry. A red a note to the lady making inquiry. A red a note to the lady making inquiry. A red a note to the lady making inquiry. A red a note to the lady making inquiry her considered a specific for scrofula and blood diseases; its remarkably rapidly, and when I had taken three or four bottles more, I was quite restored to health and have experienced better.

GOLDEN ELIXIR may be considered a specific for scrofula and blood diseases; its remarkably rapidly, and when I had taken three or four bottles more, I was quite restored to health and lasting effects in these complaints is most wonderful. bottles more, I was quite restored to health ply was received next day, proving her conclusions correct, and hence the visit. There clusions correct, and hence the visit. There were two happy hearts in Sieux City yesterday, and no doubt both ladies feel like passing resolutions of thanks to the Journal for physicians before, but never received any sing resolutions of thanks to the Journal for material aid until I used your remedy.

A. McKay, Truro, N. S., says: He was powers. It is very pleasant to the taste and powers. It is very pleasant to the taste and powers. It is very pleasant to the taste and powers. It is very pleasant to the taste and powers.

Princess Louise at Government House, and are as good as any I ever tried. Princess Louise at Government House, and said that she had begged him to contradict the report that she did not wish to return to Canada. She loves it, and came back with enthusiasm. H. bears the universal testimony to her simple, sincere, fine character, her excellent mind, and the wide culture and her excellent mind. The excellent mind has a good as any 1 ever tried.

Henry King, Geneva, N. Y., says: My with dyspension of the same properties. As the mind the excel many interests which enliven her life.

This is just what we would expect from the Princess, an opinion which we expressed ting suffered from an attack of Rheumatism ates the Brain. Nerves and Muscles, Re-enerin connexion with our remarks on an allusion made to H. R. H. in the Governor General's reply to the Legislative address of congratulation on the prospect of her speedy recovery lation of Nervous Debuity, Paralysis, Nervous Mind and Blood Diseases, from whatever causes. from the effects of the late accident .- Tele- cents a box. Sild by all medicine dealers.

Messrs. T. GRAHAM & SON. ITEMS OF FOREIGN NEWS. I had for twenty years been subject to frequent and severe attacks of Rheumatism Bealin, March 6.—The population of Finland are manifesting a desire for independence from Russia. Finland at present is a with the assistance of the crutch and a cane grand duchy of Russia, lying between 59 and 70 N. 1st., and between 21 and 33 E long. Its area may be estimated at about 140,000 square miles (of which nearly onethird is occupied by marshes and lakes) and the population at the present time is nearly 2,000,000 and shows a pretty constant rate PAIN ERADICATOR, and at her request I gave ef increase. The exports from Finland in 1873 amounted to 93,320,000 marks, equiva- in it or hopes of a cure. lent to about \$14,000,000. The estimated revenue of the duchy in 1875 was 25,984,551 factory, it has freed me of rheumatic pains, marks the estimated expenditure was 25, 791,153 marks. The army has the privilege of s-rving in distinct corps, without being incorporated in the general forces of the empire, and the naval force also forms a disand, although the cartillages of many of my joints have been greatly enlarged, I can easily walk five or six miles without using a cane, a result that has astonished my acquaintances, and a knowledge of which has inductinct squadron, under its own national flag. Finland was taken possession of in the 12th century by Eric the Saint, King of Sweden, who compelled them, by force of arms, to profess Christianity. In 1809, Sweden secured peace with Russia by the cession of all Finland which had been for centuries the perlingly satisfy any one of the facts of street, Montreal. petual cause and scene of wars between the two nations. The present movement for in dependence is believed to be serious and founded on a widespread national feeling. NEW YORK, March 6 .- A Hong Kong despatch says that Unina is making heavy pre-parations for war. She is purchasing arms

KULDJA, March 6 .- The imbroglio has developed new and unexpected complications. are regarded as absolutely dangerous to the peace of the empire. The Kuldja, which has been restored, is not the Kuldja with which the Pekin Government parted. Russia retained the strategic positions, and China has therefore begun to adopt a defiant attitude towards all the foreign powers. Eng- PRICES SECOND TO NONE. land and Russia both hope to make use of her. England will probably succeed, and the Czar will have one more foe to encounter in Asia. His Government is inciting Japan to take up arms against China, and the ques-ti n of sovereignty of the Loochoo Islands is being again pushed to the front.
