Very truly, J. SIMONAUD, M. D., New Orleans, La. MESSES. SCOTT & BOWNE: - Gentlemen - In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my triends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has greater success than any other remedy now known, not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two in cases of Consumption, Coughs, Colds, Hoarsemore, then got a dozen and says it is food and medicine for him. He was given up to die a year ness, Bronchitis, Scrofula, Chronic Rheumatism, ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, General Debility, Wasting Diseases of Children

and I shall do all I can to make known your valuable medicine.

Jan. 20th, 1879.

Very truly yours, H. F. SLOCUM, Lowell, Mass. LYNN, Randolph Co., Ind., July 2nd. 1878. Messrs. Scott & Bowne: About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully yours,

and Adults, and whenever it is necessary to increase the vital forces and build up the system. Nearly every person that has taken any preparation of Cod-Liver-Oil, knows how very liable it is to disagree with them after a time; this is mainly due to the inability of the stomach (weakened by disease) to digest the full amount of the oil taken. To overcome this trouble we have added Panceratine to our Emulsion, which not only assists in digesting the oil, but is an acknowledged remedy of itself in the treatment of Consumption.

It is not a Patent Medicine, as we claim no secret in its composition, but every physician will be furnished with the formula by applying to our wholesale agent, H. PAXTON BAIRD, (Successor to W. T. Baird,)
