Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS is on the outside wrapper. Sold by all Medicine Dealers. 25 cents a bottle. Beware of imitations.—1y-5.

The Sunday question has for several years been discussed at Zurich. A committee appointed by the Grand Council of the Canton has finally drawn up a law, after years of study and investigation. Henceforth Sundays and religious fete days are to be considered as days of public rest; the shops and public offices must be shut before mid-day, and all noisy work is prohibited. The committee alleges that by this it does not desire to introduce the "English Sunday," but merely such a Sunday that people may pray in quiet.

The Death-rate of

Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant origin. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late, that a Fever or Lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German syrup been taken, a cure would have resulted, and a large bill from a Doctor been avoided. For all diseases of the Throat and Lungs, Boschee's German Syrup has proven itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known.

A painful sensation was caused at a funeral at the Leicester Cemetery recently, by one of the bearers dropping down dead.—Last week Miss Ada Bruin, daughter of Councillor Bruin, was drowned while skating on the ice, and one of the bearers at her funeral was a middle-aged gentleman named Joseph Blockley. After the service at the chapel, the procession had just started for the grave when Mr. Blockley suddenly fell down in the snow, and when he was lifted up life was found to be extinct.

Brown's Household Panacea

Is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly Relieve Pain, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength of any similar preparation.

It cures pain in the side, back or bowels, sore throat, rheumatism, toothache, and all aches, and is the Great Reliever of Pain. "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water (sweetened is preferred), taken at bedtime, will break up a cold. 25 cents a bottle.

Much Sickness,

Undoubtedly with children, attributed to other causes, is occasioned by Worms. BROWN'S VERMIFUGE COMFITS, or Worm Lozenges, although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be absolutely sure in eradicating worms, so hurtful to children. Twenty-five cents a box.—1y-5

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure for Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this receipe, in German, French, or English with full directions for preparing and using. CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil** with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form *perfectly palatable* and acceptable to the most delicate stomach and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See what Physicians and the People say about it.

MESSRS. SCOTT & BOWNE: 66 West Thirty-sixth Street, New York, Sept. 2, 1876.

GENTS—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious. C. C. LOCKWOOD, M. D.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases

Oct. 12, 1879. Yours respectfully, A. H. SAXTON, M. D., Baltimore.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—With the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form Very truly, J. SIMONAUD, M. D., New Orleans, La.

December 10th, 1878.

MESSRS. SCOTT & BOWNE:—*Gentlemen*—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is good and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Jan. 20th, 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

MESSRS SCOTT & BOWNE: LYNN, Randolph Co., Ind., July 2nd 1878.

About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach: I continued its use, gradually increasing the dose: and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover I am gratefully yours,
